The "Scott-Field" Sporting Rifle.

The above cut represents the new Scott Field Rifle, manufactured by W. & C. Scott & Sons, Birmingham, England, for general sporting purposes. This Rifle has the Field patent action, which is considered by all sportsmen who have seen it to be the best ever invented. The fact that Messrs W & C Scott & Son and John Rugby & Co., of Dublin, have adopted the Field action for their new sporting and Target Rifles, is proof positive that in the opinion of these celebrated gun makers the Field is superior to all other actions now in use. The "Scott-Field" Sporting Rifle is 44 cal., sighted up to 300 yards, and can be had either with plain or pistol grip stock. No Rifle in the market can approach it for simplicity, accuracy, convenience, durability and safety. Sole Agents for Canada.
