How to Reach Owen Sound.

Owen Sound is the terminus of the Toronto, Grey & Bruce division of the Canadian Pacific Railway and situated on the Georgian Bay. It is twelve miles distant from Allenford station on the Grand Trunk Railway (Georgian Bay & Lake Erie Division). Two stages run daily each way between Allenford and Owen Sound, and additional accommodation will be provided for at Annual Meeting time if required.

Visitors from east of Toronto will come to Toronto, thence by T. G. & B. to Owen Sound. Those from Hamilton and St. Catharines will also come by way of Toronto, or by Hamilton and North-Western to Cardwell Junction or Ingwood.

Those from London district may also come to Toronto, thence to Owen Sound by T. G. & B. or to Stratford, thence on the Georgian Bay & Lake Erie to Allenford, thence by stage to Owen Sound.

Those from Guelph district may take the Wellington, Grey & Bruce to Palmerston, thence by Georgian Bay & Lake Erie to Allenford, or Grand Trunk to Georgetown, the Hamilton & North Western to Cardwell Junction, thence T. G. & B. to Owen Sound, or the O. P. R. Fergus and Elora Branch via Cataract to Orangeville, thence to Owen Sound by O.P.R.

We understand that good connections can be made by all these routes. It would, however, scarcely be safe to publish time tables, as slight changes are frequently made at 1st of May.

Owen Sound is very easy of access and we trust there will be a grand gathering on the 6th of June next.

C. A. FLEMING.

Railway Time Tables

For the information of those living on the Grand Trunk Railway, it may be stated that the Canadian Pacific Railway trains leave Toronto for Owen Sound at 7.40 a.m.; 4.45 p.m.; and the S.S. Express on Wednesdays and Saturdays at 11.05 a.m.

Those taking the morning train on the Hamilton and Northwestern Division of the G.T.R. may connect with the O.P.R. at Cardwell Junction or at Ingwood Junction. The connection, according to the time tables before us, is very close at Cardwell Junction, but at Ingwood there is plenty of margin for the train on the G.T.R. being behind time.

The evening train on the H. and N.W. does not connect with the O.P.R.

Consult the local ticket agents. They will post you on the best route to take.

Those intending to take the G.T.R. (Georgian Bay and Lake Erie Division) to Allenford, should notify at once C. A. FLEMING, OWEN SOUND, so that additional stage accommodation may be provided if necessary.

Special Notice.

As the Provincial Government has determined to hold the general elections Thursday, June 5th, the day on which it was arranged the Annual Meeting should convene at Owen Sound, the Board of the Co-operation has decided that in the circumstances it would be wise to postpone the meeting one day, that is until Friday, June 6th, and to ask the brethren and sisters to go prepared to remain, if necessary, until Tuesday the 10th. In this emergency we trust our brethren will have in mind what our Saviour said on one occasion: "Render unto Caesar the things that are Caesar's, and unto God the things that are God's."

THE MODERN COOK-BOOK AND MEDICAL GUIDE.

THE MODERN COOK-BOOK AND MEDICAL GUIDE. This is practically two books in one—a perfect cook book and a perfect medical book—and there is so much in it, and so much care and pains have been taken in its compilation, that we feel perfectly safe in asserting that the Cooking department is fully equal to any other of its kind, and that the Medical department is no less so.
