

The united congregations of Cote des Neiges and St. Laurent, of which Rev. T. A. Mitchell is pastor, held their annual social on Wednesday evening, February 15th. After refreshments were served in the basement, all repaired to the church to listen to a programme, consisting of speeches, recitations and music. A few visiting ministers contributed greatly to the interest of the programme. Mr. Mitchell rejoices in a large measure of prosperity in his congregations since coming to them.

Rev. D. J. Graham, of White Lake and Burnstown, is to be felicitated, and also the people, on the condition of the field. The harmonious efforts of the joint congregations, stimulated and directed by their pastor, have cleared the manse of all debt, and made quite a few renovations besides. At White Lake, an acetylene gas plant has been put into the church, at a cost of \$165, and a memorial tablet erected to the memory of Donald Stewart, some years deceased. At Burnstown, the people have decided to build a new church, and to give evidence of their decision, they have subscribed two-thirds of the necessary amount. The greater quantity of the materials are already on the ground. Fifteen new members were added during the last year, and the Sabbath schools are flourishing. An excellent spirit prevails between the two bodies, which spirit has been strengthened by their joint labors. Mr. Graham has a grateful people, as is shown by their substantial remembrances of himself and family from time to time.

We again call the attention of all those interested, and of those not interested, to the meetings of the Alumni Association. Very successful and helpful meetings are anticipated. The dates are April 3-7.

G. W. T.

An honest tale speeds best, being plainly told.
