TO THE DEAF.—A person cured of Deafness and noises in the head of twenty years' standing by a simple remedy, will send a description of it FREE to any Person who applies to NICHOLSON, 30 St. John Street, Montreal.

SUFFERING humanity read Carbolic Smoke Ball advertisement, cures Diseases of the Nose, Throat and Lungs. See page 610.

EGG FLUMMERY.—Beat six eggs, add a tea cup of milk, a little salt and pepper; have a piece of butter very hot in a pan, pour in and stir till done.

THE best broom is of light green colour, which indicates that the material is of the best flexibility and toughness. The cheap broom corn is of a sickly yellow or lemon colour.

TO BAKE PEARS.—Butter a baking tin rather thickly, place the pears whole upon it (simply washed off in their skins.) They take a long time to cook. Sprinkle a very little sugar over them to begin with, and a little when nearly done.

A PIE that is properly baked will slip from the tin with careful handling, and if placed on a wire frame where the air has access to the bottom, it will cool without becoming moist, and when ready to be served it can be transferred to a plate.

HENRY A. ARCHER, of Fairfield, Me., suffered from a severe cough, spitting of blood, weakness of lungs and general debility. Physicians pronounced him in consumption. His health was completely restored by the use of WISTAR'S BALM OF WILD CHERRY.

PICKLED CRAB APPLES.—Stem the apples, after piercing them with a fork. Prepare a syrup of one pint of good vinegar, one pound of brown sugar (more, if liked), and a scant tablespoonful of each kind of spice. Boil ten minutes and pour over the apples after they have been placed in the jar.

How to Gain Flesh and Strength.

Use after each meal Scott's Emulsion; it is as palatable as milk. Delicate people improve rapidly upon it. For Consumption, Throat affections and Bronchitis it is unequalled. Dr. Thos. Prim, Ala., says: "I used Scott's Emulsion on a child eight months old; he gained four pounds in a month." Put up in 50c. and \$1 size.

SWEET PEAR PRESERVES.—For each pound of fruit take one half pound of sugar. Save the perfect cores and skins, boil these in sufficient water merely cover them; strain this syrup and put in the sugar, and prepared fruit. Stew gently until the syrup becomes coloured nicely. When sealing the preserves, if there is too much syrup, bottle for pudding sauce.

GRAPE MARMALADE.—Steam the grapes carefully, put them into a porcelain kettle, covering them with hot water and boiling them until perfectly soft. Put them in a colander and rub them until all the pulp passes through. To each pound of pulp add one pound of white sugar and boil about half an hour until a clear marmalade is the result.

GRATE CUCUMBERS.—Pare and halve full-grown cucumbers; take out the seeds and grate the cucumber, straining and pressing the pulp until much of the water is exhausted, but not quite all; season highly with pepper and salt; mix thoroughly with vinegar and put up in small bottles, filled to the brim, and containing just enough to use at one time; seal the corks. When unsealed the fragrance is that of freshly-cut cucumbers.

FRUIT CHARTREUSE OF ORANGE JELLY.—Make a chartreuse of fruit in a round or oval mould, having a quantity of fruit left, having also a quart of orange jelly, which place on ice in a bowl, whisking it until on the point of setting. Then place a layer of it in the chartreuse, then a layer of the fruit, the jelly, and so on until quite filled; place it upon wire, and when set and ready to serve, dip in luke warm water, turn it out upon your dish, serve garnished round with jelly in the skins of the oranges, cut into quarters after it has been set, or leave out the garnishing.

AN APPLE DESSERT.—A dessert made with apples, baked, but to be served cold, is made in this way: To a pint of stewed tart apples, pressed through a fine colander, add two large spoonfuls of butter while hot; then stir in the beaten yolks of four eggs, and nearly two cups of sugar; lastly add one quart of milk and one spoonful of vanilla flavour. Bake half an hour in a quick oven, then beat the four whites of eggs to a stiff froth, with four spoonfuls of powdered sugar; drop in large patches, around the top of the pudding; brown delicately in a quick oven. Serve with sugar and cream.

Only a few of the above-named symptoms are likely to be present in any one case. Thousands of cases annually, without manifesting half of the above symptoms, result in consumption, and end in the grave. No disease is so common, more deceptive and dangerous, or less understood by physicians. By its mild, soothing, and healing properties, Dr. Sage's Catarrh Remedy cures the worst cases of Catarrh, "cold in the head," Coryza, and Catarrhal Headache. Sold by druggists everywhere; 50 cents.

"Untold Agony from Catarrh."

Prof. W. HAUSNER, the famous mesmerist, of Ithaca, N. Y., writes: "Some ten years ago I suffered untold agony from chronic nasal catarrh. My family physician gave me up as incurable, and said I must die. My case was such a bad one, that every day, towards sunset, my voice would become so hoarse I could barely speak above a whisper. In the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sage's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."

"Constantly Hawking and Spitting."

THOMAS J. RUSHING, Esq., 205 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."

Three Bottles Cure Catarrh.

ELI ROBBINS, Rungin P. O., Columbia Co., Pa., says: "My daughter had catarrh when she was five years old, very badly. I saw Dr. Sage's Catarrh Remedy advertised, and procured a bottle for her, and soon saw that it helped her; a third bottle effected a permanent cure. She is now eighteen years old and sound and hearty."
