THE GREAT OBJECTION
REMOVED.

The long standing objection to the old plans of life insurance has been the liability to serious loss from oversight, neglect or inability to pay premiums. This objection has been entirely removed in

THE
Temperance & General Life
Assurance Company, by the adoption of an ordinary Life Policy, of which a prominent agent of one of the largest and best of the American Companies said, "It is the safest and fairest Policy I have ever seen." See this Policy before insuring in any Company.

Under the approval of the Ontario Government, the Company is accepted by the High Court of Justice as a Trust Company, and from its organization has been employed by the Court for the investment of Court Funds. The Company acts as Executor, Administrator, Executor, Committee of Lunatics, Guardian of Children, Assignee of Estates, Agent, etc., and as Trustee under Deeds, Wills, or Court Appointments or Substitutions; also, as Agent for Executors, Trustees and others, thus relieving them from onerous and disagreeable duties. It obviates the need of security for administration.

The Company invests money, at best rates, in first mortgage and other securities; collects Rents, Interest, Dividends, acts as Agent in all kinds of financial business, issues and counterfeits Bonds and Debentures. Safes and Compartments varying from the small box for those wishing to preserve a few papers, to large safes for firms and corporations, are rented at low rates, and afford ample security against loss by fire, robbery or accident. Bonds, Stocks, Deeds, Wills, Plans, Jewellery and other valuables are also stored. An examination of these vaults by the public is requested.
