By constipation is meant irregular action of the bowels, often called costiveness, and commonly caused by dyspepsia, neglect, excess in eating or drinking, etc. It is a serious complaint, and not to be neglected under any circumstance, as it leads to impure blood, headache, debility, fevers, etc. A uniformly successful remedy is Burdock Blood Bitters, which, if faithfully tried, never fails to effect a prompt and lasting cure even in the worst cases. The following extract from a letter from Mr. Jas. M. Carson, Banff, N.W.T., will speak for itself:—"I have been troubled with constipation and general debility, and was induced to use your B. B. B. through seeing your advertisement. I now take great pleasure in recommending it to all my friends, as it completely cured me."
