

The Subscriber having received several generous contributions from benevolent Churches in Halifax, towards the formation of a Public Parochial Library in his Mission at Georgetown, P. E. I., takes this method of soliciting further gifts, in Books and Pamphlets of a Moral and Religious tendency, which from being read or laid aside, are no longer esteemed of much value by their possessors.

He would gratefully acknowledge the truly liberal donation of \$2 in valuable Religious Works placed at his disposal by the Lord Bishop of the Diocese.

As also a previous donation of \$2 in Books for the use of Trinity Church Sunday School, Georgetown. Gifts to this good object, left at Mr. George's Book Store, will be forwarded, and most thankfully received.

ROBERT T. ROACH,
Rector George Town, P. E. I.
Halifax, 25th Oct. 1855.

We are much pained to learn of the death, at Havana, on the 12th ult., from Yellow Fever, of Mr. George Shaffer, J., formerly of this town, who had accompanied his brother, Captain Jost, of the ship *Omara Pacha*, on a voyage of health.

Our departed friend was universally beloved and esteemed in this place. The news of his sudden death will be keenly felt by his many friends and acquaintances here, who will long cherish a pleasing recollection of his integrity and worth. He also leaves a large circle of relatives and friends at Halifax and Lunenburg, in Nova Scotia, to lament his early death. —C. B. News.

DR. McLANE'S CELEBRATED LIVER PILLS:

Being unwell, and not knowing whether it proceeded from derangement of the liver or merely hysterics, I was persuaded to purchase a box of DR. McLANE'S CELEBRATED LIVER PILLS, and before I had used them all was entirely relieved. I am now enjoying perfect health and cheerfully recommend Dr. McLane's Celebrated Liver Pills to all similarly afflicted.

New York, March 25, 1852.

P. S. The above valuable remedy, also Dr. McLane's Celebrated Vermifuge, can be had at all respectable Drug Stores in this city.

Purchasers will please be careful to ask for, and take none but DR. McLANE'S LIVER PILLS. There are other Pills, purporting to be Liver Pills, now before the public. Sold in Halifax by Wm. Langley and John Naylor.

Holloway's Ointment and Pills, an astonishing Remedy for Erysipelas.—Mr. Henry Turner, of Michone Bay, N. S., was afflicted with Erysipelas, large purple blotches came on his face and neck, and all parts of his body, and despite of the many remedies he tried he was not benefited. At length, he had recourse to Holloway's Ointment and Pills, and made up his mind to persevere with these remedies which he did. The result was that in a few weeks, he was perfectly cured, and his general health wonderfully improved. This case has created quite a sensation in Nova Scotia.

LANGLEY'S ANTIBILIOUS APERIENT PILLS.

The great popularity acquired by these Pills during the seven years they have been offered for sale in this Province is a convincing proof of their value; as no undue means of increasing their sale have been resorted to by puffing advertisements—no certificates published respecting them.

These Pills are consistently recommended for Bilious Complaints or morbid action of the Liver, Dyspepsia, Constipation, Acidity, want of Appetite, Giddiness, and the numerous symptoms indicative of derangement of the digestive organs. Also, as a general Family Aperient.
