

✧ THE BEST ✧

THAT'S THE NAME OF OUR

Super for Comb Honey.

ITS ADVANTAGES ARE MANIFOLD

*Honey from this Super is Clean, free from travel stains,
glue and propolis*

The nice, clean sections, beautifully filled with honey, command a higher price than any other. One man can easily crate 1000 lbs. of comb honey produced in $4\frac{1}{2} \times 4\frac{1}{2} \times 1\frac{1}{2}$ sections in a day because the labor of scraping sections is almost done away with. If you wish to be in the lead use our Super. See what a few unsolicited testimonials say :
