

Large Income. Safe Investment.

The attention of guardians, trustees, executors, and persons whose incomes depend upon the investment of money, is directed to the Annuity Bond of the North American Life Assurance Company, of Toronto, Canada.

It secures a larger income than any other first-class legitimate investment.

It provides for the payment of the annuity in yearly, half-yearly, or quarterly instalments, promptly on fixed dates.

The payments are definite, and do not vary with the ever-changing conditions of the money market.

Rates and full information will be furnished on application to the Head Office, or to any of the Company's agents.
