LOVELL PRINTING & PUBLISHING CO.,
MONTREAL.**Maritime Summary.**The plans of the Canada Central Railway
are to receive particular and immediate atten-
tion at the hands of the Ontario Government.The following failures in New York are an-
nounced: Wm. P. Roberts, flour and grain mer-
chant, from losses on advances of grain, but
liabilities said not to be heavy; A. Shearman,
dealer in woollens, for \$100,000, with assets of
\$30,000; Geo. Reichenber, cotton dealer, for a
small amount, and Murrell & Co., also cotton
dealers, and a much larger concern.The state of ferment in the leather trade is
still kept pretty well up to the bubbling point,
what between rumours and actualities. The
assignment of Côté, Gougeon & Co., long
anticipated, is the last addition to the already
long list of failures in this line. Starting only
about eighteen months ago with a capital of
\$10,000, their short career has been distinguished
by some transactions which evinced a marked
lack of judgment. It was expected at one time
that Côté's father, a wealthy citizen of St.
Hyacinthe, would come to his son's assistance,
but the old gentleman probably came to the
conclusion that it would be better to keep his
money where he would be more sure of it.
