CATHOLIC COMMERCIAL ACADEMY OF MONTREAL, PLATEAU AVENUE—699 St. CATHERINE STREET. THIS Institution has added lately to its Programme of studies a complete polytechnic Course. This Course was established by the Minister of Public Instruction for the diffusion of the knowledge of the great industries among our Canadian youth. Young men possessing dispositions and aptitudes for the great manufacturing and mining industries; for Civil Engineering, architecture, surveying mechanics, &c., &c., are particularly invited to follow this course which is placed under the direction of a skillful professor trained in the professional schools of France. The course embraces three years study, and for the benefit of those who have not completed their course in a Classical College a preparatory class has been opened. A Programme of the studies can be obtained either on personal or written application. The Commercial Course will continue as heretofore, the only change being a separate class, exclusively devoted to commercial transactions. In this class practical transactions in Banking, Custom-House and commerce in general are carried on. When a pupil is ready to undergo his examination, and passes it satisfactorily, he receives his Diploma. This year the primary department will be transferred to a comfortable brick-house, next to the Academy, which has been purchased by the commissioners for that purpose. The opening of classes will take place on Monday, August 31st. For conditions and other particulars address the Principal, at the Academy, 51-8 U. E. ARCHAMBAULT.

DE LA SALLE INSTITUTE, Nos. 18, 20 & 22 Duke Street, Toronto, Ont. DIRECTED BY THE CHRISTIAN BROTHERS This thoroughly Commercial Establishment is under the distinguished patronage of His Grace, the Archbishop, and the Rev. Clergy of the City. Having long felt the necessity of a Boarding School in the City, the Christian Brothers have been untiring in their efforts to procure a favorable situation to build; they have now the satisfaction to inform their patrons and the public that such a place has been selected, combining advantages rarely met with. The Institution, hitherto known as the "Bank of Upper Canada," has been purchased with this view and is fitted up in a style which cannot fail to render it a favorite resort to students. The spacious building of the Bank—now adapted to educational purposes—the ample and well-ventilated play grounds and the ever-refreshing breezes from great Ontario all concur in making "De La Salle Institute" what ever its directors could claim for it, or any of its patrons desire. The Class-rooms, study-halls, dormitory and refectory, are on a scale equal to any in the country. With greater facilities than heretofore, the Christian Brothers will now be better able to promote the physical, moral and intellectual development of its students committed to their care. The system of government is mild and paternal yet firm in enforcing the observance of established discipline. No student will be retained whose manners and morals are not satisfactory: students of all denominations are admitted. The Academic Year commences on the first Monday in September, and ends in the beginning of July. COURSE OF STUDIES. Ayer's Cathartic Pills, For the relief and cure of all derangements in the stomach, liver, and bowels. They are a mild aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral whatever. Much serious sickness and suffering is prevented by their timely use; and every family should have them on hand for their protection and relief when required. Long experience has proved them to be the safest, surest, and best of all the Pills with which the market abounds. By their occasional use, the blood is purified, the corruption of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by Ayer's Pills, and stimulated into action. Thus incipient disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution, or diet, or occupation. Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these Pills readily cure:— For Dyspepsia or Indigestion, Listlessness, Lassitude and Loss of Appetite, they should be taken moderately to stimulate the stomach, and restore its healthy tone and action. For Liver Complaint and its various symptoms, Bilious Headache, Sick Headache, Jaundice or Green Sickness, Bilious Colic and Bilious Fevers, they should be judiciously taken for several days, to correct the diseased action or remove the obstructions which cause it. For Dysentery or Diarrhoea, but one mild dose is generally required. For Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear. For Dropsy and Dropsical Swellings, they should be taken in large and frequent doses to produce the effect of a drastic purgative. For Suppression, a large dose should be taken, as it produces the desired effect by sympathy. As a Dinner Pill, take one or two Pills to promote digestion and relieve the stomach. An occasional dose stimulates the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these Pills has had a beneficial effect, from their cleansing and renovating effect on the digestive apparatus. PREPARED BY Dr. J. C. AYER & CO., Practical Chemists, LOWELL, MASS., U. S. A. FOR SALE BY ALL DRUGGISTS EVERYWHERE.

PAY NO MORE FEES. QUACKS CONFOUNDED. Rheumatism and Gout have heretofore been considered by the ordinary practising physicians as incurable diseases, and the query has often been propounded, of what benefit to the helpless sufferer is all their pretended science; and what doth it avail,—their long and tedious course of study—if they are obliged to acknowledge that all their resources are to no account when called upon to prescribe for a patient suffering from chronic rheumatism. The great trouble lies in the fact that the mode of investigation is prescribed within certain boundaries and limitations compelling the student to tread in certain well-worn paths, or suffer disgrace and excommunication from that highly respectable order of mortals known as the Medical Faculty. How often genius has been curbed in its flights of investigation can easily be imagined. And often really grand and beneficial discoveries have been placed under the ban of censure by those self-constituted censors, for no reason whatever, but that they are innovations upon a stereotyped and time honored prescription. It was not so, however, with the proprietor of the Diamond Rheumatic Cure, for his high standing in the profession, and the learning and science of an able mind, quickly compelled the censors to succumb, and now physicians generally, all over the world, where this medicine is introduced, admit of its wonderful efficacy, and often prescribe it for their patients. Of course the use of the DIAMOND RHEUMATIC CURE, without the aid of a physician, is a saving in fees to the sufferer, but the really conscientious physician should rejoice at this, for the reason of the general benefits arising to mankind from its use. READ WHAT THE PEOPLE SAY. MONTREAL, 21st March, 1871.

Messrs. DEVINS & BOLTON: Dear Sirs—I with pleasure concede to the Agents wish that I give my endorsement to the immediate relief I experienced from a few doses of Dr. Miller's Diamond Rheumatic Cure, having been a sufferer from the effects of Rheumatism, I am now after taking two bottles of this medicine, entirely free from pain. You are at liberty to use this letter, if you deem it advisable to do so. I am, Sir, yours respectfully, JOHN HELDER ISAACSON, N.P. MONTREAL, 17th March, 1874. Messrs. DEVINS & BOLTON: Gentlemen—I have suffered much with rheumatism, so much so that I was obliged to stay at home a certain time. I heard Mr. O'Neill, of the St. Lawrence Hall, speaking of your remedy. I asked him to get me a bottle immediately, which he did with great kindness. To my great surprise that bottle has cured me entirely, and I never felt better in my life. I attribute the use of my limbs to the "Diamond Rheumatic Cure." JAMES GALLAGHER, 58 Juror Street, Corner of Hermine. A BLESSING TO THE POLICE. MONTREAL, 18th June, 1874. Messrs. DEVINS & BOLTON: Gentlemen—Having been one of the many martyrs of rheumatism that I meet on my every day rounds, I was induced to try the celebrated DIAMOND RHEUMATIC CURE. I had suffered the last five or six weeks the most terrible acute pains across my loins and back, so severe indeed that I could hardly walk with the help of a stick. I commenced the Diamond remedy, following the directions carefully,—relief came immediately with the first bottle; improved rapidly with the second, and completely cured and free from pain after finishing my fifth small bottle. You are at perfect liberty either to refer to me privately or publicly, as I feel very thankful for the relief, and sympathize with my fellow-sufferers from Rheumatism. Yours respectfully, J. B. CORDINEO, Sanitary Police Officer, 51 Labelle Street. FURTHER PROOF. Toronto, March 30, 1874. Dear Sir—After suffering for the past two years with Rheumatism, I can truly say that, after using two bottles of the DIAMOND RHEUMATIC CURE, I find myself free from that terrible disease. I have used all kinds of remedies and Doctor's prescriptions without end, but your simple remedy surpasses all. The effect upon me was like magic. I take great pleasure in recommending your medicine to all. I remain, MARGARET CONROY, 127 Sumach Street. This medicine is prepared by a careful experienced and conscientious physician in obedience to the desire of numberless friends in the profession, in the trade and among the people. Every bottle is warranted to contain the full strength of the medicine in its highest state of purity and compounded, and is superior to any medicine ever devised for this terrible complaint. In simple cases sometimes one or two doses suffice. In the most chronic case it is sure to give way by the use of two or three bottles. By this efficient and simple remedy hundreds of dollars are saved to those who can least afford to throw it away, as surely it is by the purchase of useless prescriptions. This medicine is for sale at all druggists throughout the Province. If it happens that your Druggist has not got it in stock, ask him to send for it to DEVINS & BOLTON, NOTRE DAME STREET, MONTREAL, General Agents for Province of Quebec. Or to NORTHRUP & LYMAN, SCOTT STREET, TORONTO, General Agents for Ontario, PRIOR \$1. PER BOTTLE. May 22, 1874. 40.
