

A FOOL ONCE MORE.

For ten years my wife was confined to her bed with such a complication of ailments that no doctor could tell what was the matter or her, and I used up a small fortune in medicine...

AN AESTHETIC BALL.

NEVER COSTUMES IN VOOGIE IN A CERTAIN CIRCLE OF LONDON SOCIETY—MAUDIE AND POST-LETTWAITE TRIUMPHANT.

I had the pleasure of attending an aesthetic ball the other night. It was very intense. Oscar Wilde was not there, but Burne Jones was looking long and solemn, like the lanky white maidens he is so fond of painting.

IS IT ALL A JOKE?

[From the Chicago Morning Herald.] One of the jokes of yesterday was the assumption by some of the uniformed papers of this city that the Miss Gertrude Blood who is to be married to Sir Colin Campbell, one of the youngest sons of the Duke of Argyll, is the daughter of Victoria Woodhull, and that the Princess Louise is to grace the wedding with her presence.

REST AND COMFORT TO THE SUFFERING.

"BROWN'S HOUSEHOLD PANACEA" has no equal for relieving pain, both internal and external. It cures Pain in the Side, Back or Bowels, Sore Throat, Rheumatism, Toothache, Lumbago and any kind of a Pain or Ache.

MOTHERS! MOTHERS! MOTHERS!!!

Are you disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? If so, go at once and get a bottle of MRS. WINSLOW'S SOOTHING SYRUP.

KICKING THE BUCKET.

The tradition among the slang fraternity is to the origin of this phrase is that one "Bolover" having hung himself to a beam, while standing on the bottom of a pail or bucket, kicked the vessel away in order to pry into futurity.

A BRILLIANT SCIENTIFIC TRIUMPH.

Thousands of people cured of chest disease and nasal catarrh by Dr. M. Souvielle's sphyrometer, which is used in the leading hospitals in Europe; instructions for treatment sent by letter; and instruments examined by leading physicians and surgeons invited to try the instrument at the Doctor's office, Montreal, without charge.

Why should not truth be acknowledged?

These wonderful instruments are the discovery of the age, and people need no longer fear chest diseases until its very last stage. Read the following and see the wonderful cures effected by these instruments, which convey medicinal properties direct to the seat of the disease.

DEAR DOCTOR,

I am very pleased to give you this testimony of the benefit I have received from the use of your instrument, the Sphyrometer, and the remedies accompanying it for my disease.

Yours truly, C. Hill.

MONTEAL, January, 1881.

Dr. M. Souvielle, Montreal.

Mr. Benj. A. Drake, 162 St. Urbain street, Montreal, for many years suffering from bronchitis and asthma, is now cured. Also the no less surprising cure of Mrs. Benoit, 114 Cathedral street, daughter of Dr. David Perrault, who suffered from asthma and bronchitis for over eight years, and who is now perfectly cured.

THE "WEBER"

"All Artists give them the Preference." —New York Herald.

"THE FINEST PIANOS IN THE WORLD." —Centennial Judges.

Used in all the Leading Convents of the United States.

"There is an extraordinary richness and purity of tone—a capacity of porting feeling, and a wonderful power of expression in the Weber Piano."—17110 Conservatory, Tenor of H. M.'s Opera.

"The wealth and fashion of the metropolis call for their piano, and not to have a Weber Piano in the drawing-room would argue lack of musical taste or deficiency of the requisite amount of greenbacks."—New York Tribune.

"Weber's Pianos were unquestionably the best on exhibition; the Weber Grand Piano was the finest we ever touched or heard. His piano are undoubtedly the best in America, and probably in the world to-day."—CENTENNIAL EXPOSITION.

"An song-bird after song-bird, from the illustrious Gerster to our own dear Louis Kellberg, and artist after artist leaves our stores, the last kindly adieu from the desk of the parting steamer is invariably wafted to Weber."

"For many years—in fact from the time of the peerless Paganini, Rossini, Patti, Alboni, and hundreds of others—Weber has thus been singled out by them all. Partly, no doubt, this is due to his kindness to them, but mainly to that something in the tone that makes his instruments the special favorite of every great musician."—New York Times.

"The tone of the Weber Piano is so pure, prolonged and of such inexhaustible depth, that they sustain the voice in a wonderful degree. We not only commend them in the highest terms, but consider them the best pianos in the world."—HER MAJESTY'S ITALIAN OPERA COMPANY.
