### THE GOLDEN MANUAL:

DRING A QUIDE TO CATHOLIC DEVOTION, PUBLIC AND PRIVATE.

With the approbation of the Most Rev. Dr. Hughes, Archbishop of New York.

Archbishop of New York.

THIS Manual contains, in addition to forms in general use, verious devotions selected from approved continental works. The Prayers, Litanies, &c., have been collected from the Latin originals, wherever such were known to exist. The English versions of the Psalms here given, have been constructed by a comparison of the authorised Donay text, (to which in substance it adheres,) with the several other versions, which from time to time have been sanctioned for the purpose of devotion. The indulgenced prayers have been literally translated from the Racela, Boweiers' Treatise on Indulgences, and the best edition of the Carleste Palmetam. The particulars connected with the Confraternities, &c., to which indulgences are attached, have been enrefully collected from authorised sources.

The American Edition has been enlarged by the addition of

nave been carefully collected from authorised sources.

The American Edition has been enlarged by the addition of THREE HUNDRED PAGES of matter, under the supervision of a Rev. gentleman of New York. Many new translations have been made expressly for it, and a great number of Prayers have been added, which are in constant use in this country. The Illustrations are appropriate and well executed.

We send this book confidently before the public, with the assurance that no expense has been spared to make it (what it really is) the most complete Prayer Book ever published in the English language.

English language.

The following notice of the work, is taken from Brownson's Quarterly Review for July, 1851:—

"This is a reprint from an English Manual approved by Cardinal Wiseman, with large additions by the American editor. It is the largest and most complete manual of devotion we are acquainted with. It contains a great variety of devotions, adapted to almost every occasion and to every taste, and, as far as we have examined it, selected with judgment and true devo-tional feeling. We know of little, except in devotions before and after communion, that we could desire to have added, and we have met with nothing in it that we wish to have omitted. we have met with nothing in it that we wish to have omitted. It is due to the publishers to say that the copy before us is well printed, and richly bound. It contains numerous illustrations, several of which are executed with much skill and artistic skill and tas c. There is no occasion to commend this Golden Manual to the public, for it is approved by the Most Rev. the Archbishop of New York, and is sure to become, and deservedly, a great favorite with devout Christians."

The following preface by the translator, will explain the nature of the work:—

"At the present moment when the whole Catholic world is awaking to the vital importance of securing a religious education for the rising generation, it seemed to me that this little work might do a great deal of good, and I have hastily thrown it into an English form for the benefit of our own people, both parents and children. Let both read, the children for amuse-ment, and the parents for instruction, and let the latter reflect on the contents of this simple volume, -they will find it a most

It is with inexpressible joy that I see the schools of the Christian Brothers spreading from town to town and from city Christian Brothers spreading from town to town and from city to city throughout the length and breadth of Christendom. Nation after nation is opening her arms to invite their approach, and wherever they go, they bring with them true faith, humble ferrent piety, and the purest of all morality. These are the lessons they every where inculcate, and our Benjamin is but one instance of the benign effects of their teachings. The day has at length come, when Catholic parents have no longer an excuse for sending their children to Godless' schools—they all headth presents of having acount religious instructions. have the means of having sound religious instructions, blended with their children's secular learning, and wo be to them if they avail themselves not of the advantages placed by Providence at their disposal."

SAMUEL COCHRAN invites the attention of Consumers to his Stock of TEAS and COFFEES, which have been selected with the greatest care, and on such terms as to allow him to offer them at unusually low prices.

The MACHINER's on the Premises, worked by a Four Horse Power Steam Engine, for Roasting and Grinding Coffee, is on the most approved plan, the Coffee being closely confined in polished metal spheres, which are constantly revolving and oscillating in heated air chembers, is prevented imbibling taint from Smoke, danger of partial carbonisation of the Bean and loss of Aroma, so important to Counisseurs, which is further ensured by attention to Grinding at the shortest time prior to Sale. To this claborate process SAMUEL COCHRAN owes the high reputation his Coffee has obtained through a large portion of the Provinces.

CRYSTALLISED SUGAR (much admired for Coffee), REFINED SUGAR in small loaves, and WEST INDIA SUGARS, of the best quality, always on hand.

### TO FATHERS OF FAMILIES.

Bile and foul state of the stomach occasion more sickness and deaths in families, than all other causes of disease put together. Sometimes whole families are taken down by malig-nant levers, Fever and Agne, and other dangerous disorders, all proceeding from a bilious and foul state of the stomach. No parent can be so ignorant as not to know the great danger existing from biliousness—no parent would be guilty of causing

## SALTS AND CASTOR OIL.

No reliance can be placed on Salts or Castor Oil. These, as well as all common purgatives, pass off without touching the bile, leaving the bowels costive, and the stomach in as had condition as before. Dr. Halsey's Forest Fills act on the gaul-ducts, and carry all morbid, bilious matter, from the stomach and bowels, leaving the system strong and buoyant—mind clear; producing permanent good health.

## NOTICE TO THE PUBLIC.

In 1845, Dr. Halsey's Pills were first made known to the public, under the denomination of "Halsey's Sugar-coated Pills." Their excellent qualities soon gained for them a high reputation, and the annual sale of many thousand boxes. This great success excited the avarice of designing men, who commenced the manufacture of common Pills, which they coated with Sugar, to give them the outward appearance of Dr. Halsey's, in order to sell them under the good will Dr. Halsey's Pills had gained,

by curing thousands of disease.

The public are now most respectfully notified, that Dr. Halsey's genuine Pills will henceforth be coated with

GUM ARABIC.

An article which, in every respect, superscales Sugar, both on account of its healing virtues, and its durability. The discovery of this improvement, is the result of a succession of experiments, during three years. For the invention of which, Dr. Halsey has been awarded the only patent ever granted on Pills by the Government of the United States of America.

The Gum-coated Forest Fills present a beautiful transparent glossy appearance. The well-known wholesome qualities of pure Gum Arabie, with which they are coated, renders them still better than Dr. Halsey's celebrated Sugar-coated Fills. The Gum-coated Fills are never liable to injury from dampness, but remain the same, retaining all their virtues to an indefinite period of time, and are prefetly from from the discorrection. remain the same, retaining all their virties to an indennic period of time, and are perfectly free from the disagreeable and nauscating taste of Medicine.
