Mercantile Summary.

It is asserted that the peach crop of New
York and Pennsylvania will be large this year,
considerably exceeding that of last year.

A DESPATCH from Ottawa states that the
stock books of the projected Bank of Ottawa
have been opened. Nearly a quarter of a mil-
lion of stock was subscribed by the provisional
directors.

A MEETING of citizens of Toronto is called
by circular—place not stated—for this evening,
to consider the various railway and canal pro-
jects affecting the interests of the city of Toron-
to. The circular is signed by D. Blain.

GREAT excitement prevails among the oil
producers of Butler County, Pennsylvania, the
great bulk of whom are declared to be ruined
men. This sufficient explanation is given:—
“The low price of oil in 1873 swept away their
capital, and the developments of this year have
destroyed their credit.”
