Can We Fit Yours?

BUILDING and Crushed Stone

The undersigned is prepared to furnish both Building and Crushed Stone from his quarries at

Hagersville, Haldimand Co.,
and
St. David's, Lincoln Co., Ont.

Crushed Stone graded to different sizes for making

Macadamized Roads

and streets, is cheaper and far superior to stone broken by hand. Write for prices to

J. C. INGLES,

ADDRESS: HAGERSVILLE, ONT

MUNICIPAL MEN Look Here!

Do you know the merits of the BAER Patent Bridge? If you do not you are standing in your own light, because you could save money for your municipality. Our Bridges will last forty years if taken care of. Common sense convinces the most sceptical. The sun shines on them the year round, and happy are the rate-payers who have them. Correspondence solicited.
