To our Customers and others:—We have secured during the past winter a very large stock of exceptionally good ice, cut near the Island, under the direction of the Board of Health and personal supervision of the medical Health Officer, and pronounced to be of excellent quality, suitable for family, hotel and office use. We make a speciality of this class of trade, and say, without fear of contradiction, that there is no better ice put up in this city than what we have in store, no matter by what name it may be sold under. On May the 1st we commence our regular delivery to all parts of the city.  
We here beg to thank our old customers for their kind patronage in the past, and again solicit a renewal of their orders for the coming season.
