

15. (1) Canada and British Columbia will consult as required on technical and other matters of mutual interest with a view to facilitating the implementation of the Treaty, avoiding disputes and carrying out this Agreement.

(2) In particular a Liaison Committee shall be established consisting of senior representatives of Canada and British Columbia.

(3) If differences or questions arise or allegations are made as to loss arising out of any action or failure to take action by either Canada or British Columbia which cannot be resolved through consultation they shall be submitted to the Exchequer Court of Canada for decision and that Court has jurisdiction to determine the rights and liabilities of either party under this Agreement.

(4) British Columbia shall, in respect of itself, procure the enactment of whatever legislation is necessary to implement subsection (3) of this section.

16. (1) British Columbia agrees that generators will be installed in the dam at Mica Creek as soon as economically feasible.

(2) Subject to the requirements of British Columbia, British Columbia will make available to other provinces of Canada, through a national grid or otherwise, on a first call basis, electric power from the Columbia River and other power developments in the Province of British Columbia at prices not higher than those obtainable by British Columbia from time to time from the United States of America for any comparable British Columbia entity electric power exported thereto.

17. This Agreement binds Canada and British Columbia from the date of the Agreement and thereafter so long as any obligation or right of either the United States of America or Canada exists under the Treaty or any part thereof.
