

3. Welcomes the Report of the Secretary-General on chemical and bacteriological (biological) weapons and on the effects of their possible use, and expresses its appreciation to the Secretary-General and to the consultant experts who assisted him;

4. Requests the Secretary-General to publicize the Report in as many languages as is considered desirable and practicable, making use of the facilities of the United Nations Office of Public Information;

5. Recommends to all Governments the publication of the Report, translated as appropriate, so as to acquaint public opinion with its contents, and invites the specialized agencies, regional inter-governmental organizations, and national and international non-governmental organizations to use their facilities to make the Report widely known;

6. Recommends the Report of the Secretary-General to the Eighteen-Nation Committee on Disarmament as a basis for its further consideration of the question of the elimination of chemical and bacteriological (biological) weapons;

7. Commends the draft Convention on the Prohibition of Biological Methods of Warfare submitted by the United Kingdom and urges the Eighteen-Nation Committee on Disarmament to complete work on this draft Convention at an early date; and

8. Requests the Eighteen-Nation Committee on Disarmament to present a report on progress on all aspects of the problem of the elimination of chemical and bacteriological (biological) weapons to the XXV United Nations General Assembly.
