

*Supply*

[English]

**Mr. Deputy Speaker:** I would ask the Hon. Member to conclude.

**Mr. Riis:** Mr. Speaker, I would certainly want to provide the House with ample time. I noticed that I began my speech just after 21 minutes to six. It seems now that in a matter of seconds, my 20 minutes will be up. Perhaps I will take my seat and provide the Hon. Member an opportunity to ask me a question.

**Mr. Lewis:** Mr. Speaker, since it is well known that the NDP Party was a willing accomplice in the rape of the West by the Liberal Party—

**Mr. McCurdy:** Mr. Speaker, I rise on a point of order. I have made reference on previous occasions to the offensive use of references to the NDP Party. We are not having a party here, we are engaged in the business of Parliament. If the Hon. Member wants to refer to my caucus, I suggest that he be directed to refer to the New Democratic Party.

**Mr. Deputy Speaker:** Order, please.

[Translation]

Order. It being 6:03 p.m., it is my duty to interrupt proceedings and to put forthwith every question necessary to dispose of the supply proceedings now before the House under the provisions of Standing Order 82(10).

[English]

Accordingly, the question is on the motion of Mr. Axworthy, seconded by Mr. Rossi:

That this House notes with deep concern the drastic decline in the oil and gas sector of western Canada, leading to over 25,000 unemployed workers and over 100,000 social welfare cases in Alberta alone; and the serious reduction in farm income and the lack of federal support for manufacturing industries in the western provinces; and

Therefore calls upon the Government to institute an immediate meeting of western provincial governments, farmers, industries and labour to formulate an economic action plan designed to revive western resource, agricultural and manufacturing industries and to put western Canadians back to work.

● (1810)

Is it the pleasure of the House to adopt the said motion?

**Some Hon. Members:** Agreed.

**Some Hon. Members:** No.

**Mr. Deputy Speaker:** All those in favour please say yea.

**Some Hon. Members:** Yea.

**Mr. Deputy Speaker:** All those opposed please say nay.

**Some Hon. Members:** Nay.

**Mr. Deputy Speaker:** In my opinion the nays have it.

*And more than five Members having risen:*

**Mr. Deputy Speaker:** Call in the Members.

The House divided on the motion (Mr. Axworthy) which was negated on the following division:

*(Division No. 38)*
