

Admiral Oriental Line

31 May 1927.

Dear Sir Arthur,

Having been elected the British Albert Kahn Fellow for 1926-'27 I am, at present, travelling round the world with my wife.

Before leaving England, last August, my colleague, Professor A.S. Ferguson, kindly gave me the enclosed letter of introduction.

I am afraid that our visit to North America is during the vacation, however, I expect to be in Eastern Canada about the beginning of July, and should be very glad if you would let me know whether I may call upon you. May I ask you to write to me at your earliest opportunity:-

% Hdqrs. The Bank of Montreal,
(to await arrival) Vancouver, (B.C.).

whereupon I could give you a more exact date.

Yours Sincerely,

James Dickinson.
