MCGILL UNIVERSITY  
MONTREAL

11th February 1937

Dear Sir,

Thank you for your letter of the 6th February.

The University will be very glad to welcome the eight  
Brazilian engineers whom you mention, if we know when to expect them.

Would you note that McGill University is in  
Montreal? In case the engineers should be under any  
misapprehension perhaps you would inform them accordingly?

Yours sincerely,
