LABOR DAY PARADE
BIGGEST ON RECORDPremier Whitney Will Address
Union Members Before Pro-
cession Starts.

FINE SPORTS PROGRAM

Baby Show This Year Will
Likely Have Two Thou-
sand Entries.

Among the several big features planned for the Labor Day parade this year will be a large float carrying three lorries, on which men representing the different branches of the building trades will be entered by the Building Trades League, and it is said to be one of the largest ever used.

This year's parade will be the biggest one ever held, and beyond its usual scope Labor Day will contain a political significance. Part of the program will be a meeting at Queen's Park, where Sir James P. Whitney will be approached regarding the proposed Workmen's Compensation Act and the subject of tax reform.

At the Exhibition grounds plans for one of the biggest sporting events of summer have been arranged. Among the twenty-one events there are six which are open to all amateurs, and several entries have been received from outside points.

One of the greatest features will be the baby show. Accommodation will be provided for over 2,000 babies. They will be divided in seven classes up to two years of age.

There were 17,238 students in the University of Paris last year, of whom 2247 were foreigners.

The Rockefeller Sanitary Commission for the eradication of the hookworm, has treated 400,000 cases in the past three years.

Miss Katherine Foster, Trained Nurse and Model, New Show Girl With McIntyre and Heath Company, in "The Ham Tree."

Many Suffer From Them
and Do Not Know It

Prof. Mulveney Comes to the
Rescue

His wonderful remedies are saving thousands of lives. Why not try his remedies—they are sure, certain and harmless?

Stomach worms are round like earth worms and measure from 8 to 16 inches in length. The large ones being about the size of a lead pencil in thickness. They are white and sometimes pink in color. They infest the stomach and small intestines, and sometimes great numbers are found in one. One of my customers claims to have found 30 in one of his children.

Many of these worms are very dangerous as they cause fever, cholera, dysentery, etc. Many persons have died from worms, and they have been known to kill a child. Just imagine the suffering and terrible agony a child, or adult, must experience with these disgusting and loathsome creatures crawling about in the stomach and bowels. There is no doubt that they are constantly taking the nourishment from the food, and the child or adult should go to the doctor for a healthy person. Is it any wonder that your child is cross, irritable and sickly? Adults are also restless, melancholy and miserable from the same cause, and are sometimes treated for dyspepsia, nervous prostration and other complaints. My cure is in liquid form and is an excellent remedy to build up the system, and can be taken the same time after the worms have been expelled, to build up the system, which generally requires a course of treatment. The stomach and bowels are generally in a weak and debilitated condition, caused by the ravages of these undesirable pests. My remedy, known as Mother's Friend, is pleasant and accessible to take and is a life-saver for children, as it not only destroys the worms, but strengthens and builds up the child, cures the distressing and nervous conditions and fits the child for school. The price is \$1.00. My remedy is known as B.Well's is much better than any other. It is the greatest remedy on earth. Cures all nervous conditions, cleanses the system, restores the child to health, and is a life-saver. B.Well's is a microbe killer, also a worm killer. Microbes and worms cause all kinds of diseases. B.Well's kills the cause and the child is cured. Sold only by Prof. Mulveney, 187 Dundas street, Toronto.
