Bowling on the Green

is delightful if you have proper bowls.

We have in the past month corrected many pairs of imported bowls, giving the owners increased pleasure and interest in the game.

This should convince you that our bowls are just as good as imported ones, and they are considerably cheaper.

Why not buy a new pair and improve your game?

P.—Don't forget that

Samuel May Billiard Tables

are made in Canada by Canadians, and sold by Canadians employed by the only strictly Canadian firm manufacturing a full line of Billiard Tables and supplies in Canada.
