THE ROSEBUD CLEARED ALL UP.

He had just finished the addition of fourteen columns of tantalizing figures, and was brain weary, when a friend and customer entered his private room. There was temper plain upon the intruder's face, for he was a man easily irritated, though generous to a fault. There was a misunderstanding, and he came not to clear it up, but to mix it up worse in a loud and useless wrangle. Ere he had finished his first burst of temper in loud words, his friend handed out the box containing "Reliance Rosebuds." The visitor grasped one bit the end off savagely, and wasted three matches ere he got it lighted. This act interrupted for a little his voluble irritation, but his first puffs were nervous and quick in succession. Before he was well seated and prepared for more loud talk, his friend had got in a few calm sentences, and as the misunderstanding was simple, the explanation was short and lucid. Few men have the blunt moral courage to acknowledge their mistake the moment after it is made, but as the smoke curled up from that cigar, the visitor saw clearly and acknowledged his, and a few minutes later left the room with expressions of perfect satisfaction, and avowals of continued friendship. This is but one of a hundred such instances. Cigars made from a coarse rank tobacco only increase the ill temper of an irritated man, but the "Reliance Rosebud" contains the finest Havana tobacco, and smoking it never fails to soothe the nerves, and calm the temper. Try one when you are bothered and annoyed, and all doubt upon the matter will quickly vanish. This cigar is manufactured only by TASSE, WOOD & Co., RELIANCE CIGAR FACTORY, MONTREAL.

To the Stove Trade

Are you aware of the great variety of lines we manufacture? Our lines are so varied that, with the control of our stoves for a district, the dealer IS INDEPENDENT

We have, this year, in our Famous Active Ranges and Stoves, the finest line of one design ever made in Canada.

We sell only to the regular stove trade, and will protect all dealers in the territory they control. We will not supply goods to be sent into another agent's territory.
