**STUDENT IS HELD
AWAY ATTEND
MCGILL**
Entire Body of Third-Year
Meds. Numbering 100 Pass
Resolution of Protest Against
the Lack of Practical In-
struction and Too Many
Lectures.

One hundred medical students in the
third year have risen in rebellion
against a number of existing conditions
at the medical college, and have car-
ried their grievances to Dean Clarke.
Two indignation meetings have been
held, at which resolutions of protest
were passed and they have been for-
warded to the dean. The students
threaten to approach President Fal-
coner if they do not get satisfaction.
It is said that the entire body believe
that they would receive better treat-
ment at McGill, and they threaten to
desert Toronto next year and attend
that institution if present matters are
not remedied.
There has been trouble brewing
among the third year men since the
school opened last autumn. The griev-
ances summed up are, too many lec-
tures and not sufficient clinical and
practical training. Radical changes
are wanted. At present there is an
instructor for classes of ten men, and
it is claimed that individually not suf-
ficient attention is given the students,
and they want the classes reduced to
four or five men, which is the case at
McGill. More classes in surgery and
medicine are wanted along with more
practical work in surgery and pathol-
ogy.

Want Better Returns.
There are 100 students in the third
year, each one of whom is paying a
fee of \$150. This is the largest paying
body attending the university, and the
"Meds" therefore claim that they
should receive better returns.
The lectures are many and long, and
monotonous, they say, and often need-
less. Instead of so much talk, they de-
sire practical instruction, claiming
that most of the lectures could be dis-
carded in favor of more practical work.
Numerous protests have been made
regarding the lectures, but with no
avail, so a number of students got to-
gether a few days ago and called an
indignation meeting, at which resolu-
tions of protest were passed and they
are now endeavoring to secure a "com-
mittee" on which to rest the weary load.

**FEDERALS ARE
NOW BESIEGED**
Rebel General Orozco Boasts That
He'll Speedily Take
Parral.

JMINEZ, Mex., April 4.—(Can.
Press).—The federal defenders of Parral
again are within its adobe walls
sustaining the fire of re-inforced rebels.
Throughout yesterday afternoon there
was fighting near Bacon, twenty miles
distant, between the rebel rear-guard
under Major Quevedo, and the federals
who pursued Campa from Parral Tues-
day to that point.
During the night, Gen. Salazar's re-
inforcements arrived and the federals
retired to their base. To-day Gen.
Luis Fernandez, another rebel leader,
arrived and preparations to take the
town began in earnest. Salazar em-
phasizing on a flanking movement, while
Major Quevedo and Gen. Fernandez
engaged the enemy in front.
Gen. Orozco does not think within 24
hours this city will be his. Until this
has been accomplished, however, it
will be impossible to move against
Torcon.

TEDDY IS "FIGHTING MAD"
PARKERSBURG, W. Va., April 4.—
(Can. Press).—Striking severely at his
political opponents here, Col. Roosevelt
charged them in a speech to-night with
using unfair methods in an effort to
defeat him at the convention soon to
be held in this city. The former presi-
dent said he had been informed that
plans were being made to turn the
Wood County convention against him
in spite of the fact that it had been re-
presented to him that a large majority
of the people were on the Roosevelt
side.

SIR HENRY GIVES \$5000
Col. Sir Henry Pellatt has donated
\$5000 to the Victoria Order of Nurses

mands upon the order throughout Canada,
especially in the newer districts. Re-
cently H. B. H. the Duchess of Con-
naught made an appeal for funds to
augment the amount raised by Lady
Minto in 1902.
COMMITTED SUICIDE

mild man, committed suicide by
hanging himself in his employer's

junction, yesterday.

BILLY LILLY'S ADVENTURES
"The Adventures of Frilly-
Lilly in the Fashionable Whirl"
is the subject of a clever sketch
in the magazine section of The
Sunday World this week. The
drawings are by Penrhyn Stan-
laws and are done in four col-
ors, making a strikingly beau-
tiful front page.
Frilly is a frivolous girl who
doesn't care to be too formal,
or to be subdued by the dictates
of a cranky chaperon. She
doesn't know much about
bridge; is sure that she will
never get married, and is very
fond of club life. On the whole,
Frilly is a witty, unconven-
tional girl, and our readers will
find forward to reading of her
adventures as they appear from
week to week.
Next week Frilly-Lilly goes
shopping. Watch for the series.

**THOUSANDS LEAVE
FOR EASTER
HOLIDAYS**
Incessant Stream of Travelers
Hurried To and From in the
Union Station—Toronto
Hotels Are Crowded, and
Visitors Will Not Find Much
Accommodation To-day.

"Off for the country," appeared to be
the slogan at the Union Station all day
yesterday. Altho this is not the best
time of the year for such a trip, many
were the expectant faces that were
turned to getmen at the union, asking
for directions as to trains. The usual
bustle, hustle and tussle were much in
evidence; everyone seemed to have a
hatbox, satchel or other contraption
which was constantly getting in the
way of some person who was just
little more of a hurry than the part-
ing with the article. Dancing children
promenaded around the confines of the
waiting rooms, eager to demonstrate
the Easter clothes they wore. Once
again the inadequate facilities of the
station for handling large crowds was
shown. An incessant stream of people
poured in and out the doors; women
and children were jammed and crushed
in the throngs; babies cried; but those
who were so anxious to get away from
the city's turmoil did not look to see
what suffering they had caused.
The traffic is said to be much heavier
than last year, and altho it is still early
in the holiday, lack of hotel accommo-
dation is already seen. At the Walker
House, the manager says that even the
cots in the halls are filled, and in the
Queen's conditions are little better. The
city will have to share the surplus, and
it is extremely doubtful if they can do
it. At any rate, hundreds of visitors
will have to leave to go to great
inconvenience even to secure a "couch"
on which to rest the weary head.
Four hundred Toronto teachers (ent
for Chicago yesterday and will remain
a week Sunday. While in that city they
will be shown around the schools.

**THEIR JOY RIDE
WAS VERY SHORT**
Two Young Men Took Motor
Car From Garage, But
Were Soon Placed
Under Arrest.

Albert Carter, 168 St. Patrick-street,
and Thomas Jenkins, 21 Palmerston-
avenue, were arrested at 12.30 this morn-
ing charged with stealing motor car
belonging to Frank McConvey, 75
Eggleston-avenue. The car had been miss-
ing for only three-quarters of an hour.
The lads were about 18 years of age
and took the car from the garage, in
making their flight they were rather
noisy and attracted the attention of Mr.
McConvey, who telephoned to police
headquarters. At the corner of King
and Church-streets he spotted his car,
and calling Policemen Lindy and Law-
son had the couple arrested.

POT EXPLODES, 3 MEN HURT
LONDON, Ont., April 4.—(Can.
Press).—Three men were injured, one
of them seriously, the result of an iron
pot weighing one hundred pounds, ex-
ploding in the McClary laundry shortly
before 6 o'clock to-day. The injured are
Peter Klimski, Russian, with legs
fractured, and bruised about the
body; W. S. Smith, Irish, with head
bruised about the forehead, and
Alex. McCluskey, Russian, cut about
the head and legs by flying iron.

MRS. WYLIE IS DEAD.
Mrs. John H. Wylie of 10 Rathbun-
avenue died yesterday after a long ill-
ness. The burial will take place in
Orangeville, where the family had re-
sided for a number of years. Those
who survive are a husband, two daugh-
ters, Misses Alma and Ethel, and two
sons, Grant and Newton of The To-
ronto Globe.

**SCOTT DIDN'T TRY
TO OUTFOOT
AMUNDSEN**
Private Letter Indicates Brit-
ish Commander Was De-
termined to Take No Chance
of Failure Thru Over-Haste
—Says if Rival Wins, He
Deserves the Honor.

CHRIST CHURCH, N. Z., April 4.—
(Can. Press).—The Central News is au-
thorized to make public extracts from
a private letter written by Capt. Scott,
under date of Oct. 28, on the eve of his
departure southward. The letter, of
course, was not written with a view to
publication, but it indicates very clearly
that Scott never had any intention
to race with Amundsen for the south
pole.
"We shall leave for the south," says
Capt. Scott, "with high hopes of ac-
complishing our object, despite the re-
serve of last season, but there is a
chance we may not catch the ship.
Therefore we have decided to arrange
for her return in 1913, as whatever
may happen she must leave on her re-
turn to New Zealand before March 19.
No Taking Chances.
"I am fully alive to the complica-
tions in the situation arising from Cap-
tain Amundsen's presence in the Antarctic,
but as any attempt at a race might
have been fatal to our chance of get-
ting to the pole at all, I decided long
ago to do exactly as I should have done
had Amundsen not been here.
"If he gets to the pole, he would be
bound to do it rapidly with dogs, and
one foresees that success will justify
him. This way he is taking a big risk,
and if he gets there he will have de-
served the luck. Meanwhile, you may
be sure that we are doing our best to
carry out the object of our plans."
(Signed) "Robert F. Scott."

**MINERS SAY NO
BUT LEADERS YES**
Majority of 43,000 for Con-
tinuing Strike in Britain
Will Not Affect
Decision.

LONDON, April 4.—(Can. Press).—
The executive committee of the Miners'
Federation to-day decided to re-
commend a resumption of work by the
miners throughout the kingdom. This
recommendation will be taken under con-
sideration at a conference of the whole
federation on Saturday. The decision
was reached notwithstanding the fact
that in a total vote of 445,000 on the
question of terminating the strike, 241,
000 were against resumption and 204,
000 were for it.
Malcontents in various districts are
arranging to hold demonstrations in
protest against the executive commit-
tee's action, but taken on the whole the
decision to resume has been well re-
ceived. In Scotland the indications are
that there will be a general return of
the men to the collieries at an early
date. The North Wales miners' dele-
gates have decided to order the men to
resume forthwith, without waiting for
the action of the national conference.
The Cumberland miners have been or-
dered to return on Tuesday.
Not All Sunshine
Apparently the only remaining
trouble has to do with the still un-
satisfied grievances of the surface men in
South Wales, Yorkshire and Derby-
shire. It appears that the executive
committee's decision was reached by
only a narrow majority; therefore, it is
not certain whether the miners will be
notified to resume by the national con-
ference officially. The general belief is
that the moderates will prevail, in view
of the fact that a large majority of
the men—altho many of them did not
cast their ballots, are anxious to get
back to work, and any attempt to re-
vive the strike would produce an in-
tolerable situation.

**INDIAN IS GIVEN
DEATH SENTENCE**
Stephen Kyoshk of Walpole
Island to Be Hanged for
the Murder of
Comrade.

SARNIA, April 4.—(Special).—Steph-
en Kyoshk, the Indian charged with the
wild murder of Adam Johns on
Walpole Island, to-day sentenced to
be hanged on June 6.
The witnesses were mostly Indians
from the reserve, and spoke several
different languages, as Walpole Island
has the remnants of several once pow-
erful tribes, including Chippewas, Ot-
tawas and others.
The two chief witnesses were Bela
Williams and her mother. Their stories
agreed perfectly. On New Year's night
they heard men shouting on the river,
and running down met Kyoshk and
Adam Johns, who were landing from a
boat. The couple were quarrelling and
Kyoshk was flourishing a stick. The
two men started for the council house,
where a feast was in progress, and the
two witnesses followed.
After going a few feet, Kyoshk turned
about and went back to the river,
where he quarrelled with Charles Na-
hdee, who was with Flossie Williams.
The couple went to Nahdee's home
and Kyoshk stated he would finish Na-
hdee and would go and get a gun. The
witnesses returned home and later
heard shots. In the morning the body
of Adam Johns was found in the river
but that of Nahdee had disappeared.
The verdict was a surprise to the citi-
zens, as it was rumored that a convic-
tion could not be made on the evidence.

SAMUEL LOUNT DEAD
Was Registrar of Deeds for Simcoe
County Since 1872.

BAIRRE, April 4.—(Special).—Samuel
Lount, registrar of deeds for Simcoe
County since 1872, died to-day at his
residence here, at the age of 74.
Mr. Lount, who was born in Holland
Landing in 1838, was a son of the late
George Lount, who was the first regis-
trar of deeds for the county, and was a
nephew of Samuel Lount, who was ex-
ecuted for alleged treason following the
historic rebellion of 1837. He succeeded
his father in the office. The family was
closely connected with the history of
the county.
Mr. Lount leaves a widow, one daugh-
ter, Miss Lount, at home, and a son,
Kenyon Lount, of the Bank of Nova
Scotia here. The funeral will take place
here on Saturday afternoon.

Taft Befriends Madero
WASHINGTON, April 4.—(Can. Press).—President
Taft to-day authorized the
exportation from the United
States to Mexico of five big
shipments of munitions of
war consigned to the forces
of President Madero. These
included two machine guns,
other arms and ammunition,
horses and blankets.
The president to-day gave
also permission for the ex-
portation of a quantity of
dynamite for a mining com-
pany in the Mexican State of
Sonora.

**LABOR MEN WILL
ESTABLISH A
PAPER**
Company Will Be Formed With
\$40,000, and Stock Sold to
Union Workers—Local
Shoe Companies Put on Un-
fair List—Circulars Had No
Union Labels.

Extensive reports were submitted
by the different committees of the
Trades and Labor Council at the meet-
ing in the Labor Temple last night, in
addressing the delegates about the
movement to start a labor paper in the
province. James Simpson said that
every man who held a union card could
well afford to buy some stock in the
new company, as it was only \$1 per
share. A resolution ratifying the es-
tablishment of such a paper was car-
ried unanimously by the meeting, and
The Labor Educational Publishing Co.,
as the new concern is to be known, will
apply at once for incorporation under
the Ontario Companies Act. The pro-
posed capital is \$40,000.
The report of the labor committee
stated that two local shoe companies
were unfair to organized labor, and
the delegates were asked to inform the
union of this fact. As a result of a
strenuous campaign against the pri-
vate made broom, the government had
continued the manufacture of this ar-
ticle and heretofore all brooms were
union made. Many stove manufactur-
ers and barber shops were non-union
and the delegates were cautioned
against patronizing them.
That scores of the city shops were
taking work into the filthiest sections
of the ward—places condemned by the
police and heretofore all brooms were
made by J. Watt of the striking
tailors. He said that the strike could
be settled if they would go back to the
open shop. This he declared, amid
much applause, they would never do,
and he further said that they had com-
pleted arrangements with the Inter-
national whereby the strike could be
carried on till next fall.

**MEET HERE

Golden Jubilee of Ontario Sun-
day School Association Will
Be Celebrated in
Toronto.

Toronto was yesterday selected by
the Ontario Sunday School executive

"The Concert" Coming Here.
"The Concert," one of David Be-
lascio's greatest and most successful
productions, is coming to the Princess
theater later part of next week. This
will be the event of the theatrical season.
Mr. Belascio produces it worth while,
and when they go to see one of his pro-
ductions, they know it will be good.
This belief, so generally held, is one
reason why the advance sale of seats
is always large. In "The Concert,"
Belascio, the stage wizard, is at his
best. The entire original cast, from
the Belascio Theatre, New York, will
present "The Concert" here.

**ANTI-TREATING
BILL NEXT
YEAR**

It is Not Likely That Govern-
ment Will Enforce "Dutch
Treat" Idea During Present
Session—House Was Ad-
journed Till Tuesday—Will
Acquire Timber Limits.

The legislative grid mill ceased
operations yesterday so that Easter
could be observed with proper decorum.
After an afternoon's discussion of bills,
Hon. Speaker Hoyle adjourned the
house until Tuesday afternoon, April 9.
There were no echoes of the temper-
ance fight the day before, except for a
question from the leader of the opposi-
tion.
"Will the hon. minister tell us when
we may expect the government's anti-
treaty bills?" asked Mr. Rowell of
Provincial Secretary Hanna.
"Not to-day," answered Mr. Hanna.
"Good-naturedly." "It will come in due
course." The opposition leader then ap-
peared satisfied.
However, it is unlikely that the gov-
ernment will enforce the "Dutch Treat"
system during this session. Evidently
the business will not stretch over two
weeks after the Easter recess, and
there is much legislation now before
the house to be ground out within that
time. And during the last few days
complaints have been raised by the
cabinet regarding the presentation of
bills at the eleventh hour when the ad-
ministration was not prepared to deal
with them.
Acquire Timber Limits.
Hon. J. B. Latta introduced a bill to
enable the government to raise \$500,000
to purchase timber limits in Algonquin
Park and elsewhere. It is believed that
this move is in accordance with the op-
position's intention to acquire an
immense timber limits as possible with
the restoration plan in view. The bill was
given its first reading and will be dis-
cussed when the house resumes on
Tuesday.
Re Bilingualism.
Just before the breakers were applied
to the proceedings, Mr. Rowell asked
the premier when the ruling would be
forthcoming with respect to the opposi-
tion's protest of the Speaker's action
in wiping a number of questions touch-
ing upon bilingualism off the order
of business. It is thought he will be
answered on Tuesday," asked Mr. Rowell.
"Sir James replied that such was in-
definite on account of the necessity of
responsible management of the
government in handling the rush of
business during the dying hours of the
session.
