

A TREMENDOUS SUCCESS.

Many People Secured Trial Vials of Munyon's Cold Cure First Day.

THE MAIL AND EMPIRE CROWDED ALL DAY LONG.

15,000 More Vials for Free Distribution To-Day—Intense Interest Taken in Every Walk in Life—To-Day the Distribution Ceases.

There is no punishment too severe for those who deserve the sick. MUNYON.

All day long the big crowds poured into the Mail and Empire Building, and all day long the assistants were kept busy handing out the trial vials of the Cold Cure. At the end of the day many thousands vials had been given away, and 15,000 more vials were at once sent for to take care of the demand of today. The interest taken in the Cold Cure distribution is absolutely without parallel in the history of the city. Citizens in every walk in life called for a trial vial, and many expressed their confidence in its power to cure. "I am sure that this is a splendid remedy," said one. "I was somewhat sceptical about the Rheumatism Cure, but I am very thankful that I secured a trial vial. It cured me in a remarkably short time, and I have had no return of my trouble since. I know from the Rheumatism Cure that this Cold Cure must be all right." And that was the burden of many of the remarks that were heard. "I never in all my life saw anything act so wonderfully. I am giving this endorsement that other people may benefit," said P. A. Arkush, Deputy Collector of U. S. Customs, Room 1610, 1612.

Miss Sophie Bonham, Vice-president Chicago Pros and Cons Club, Tells How She Escaped a Fearful Operation for Womb Trouble, by Taking Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I feel that words are but feeble to express a heart's gratitude, when there is so much to be thankful for as I have. I suffered with womb trouble for five years, and our family physician said an operation was needed; but I dreaded it, and reading of Lydia E. Pinkham's Vegetable Compound one day I decided to give it a trial. To my great joy I found that after four months' treatment I was strong and well; I experienced no pain or trouble, and the Compound built up my entire system. I shall always bless the day I started to take your medicine; it proved my greatest good."—Miss SOPHIE BONHAM, 281 Oak St., Chicago, Ill.
