and Port Stanley Railway, was before the magistrate this morning, and plead-ing not guilty, was remanded for a fur-ther hearing until Wednesday next. His counsel asked that Hewitt be allowed out on a bail, but the crown attorney refused, stating that it would be in-imical to the cause of justice if Hewitt were given temporary freedom. Hewitt is well taken care of in the jail by his

## INTERESTING TALKS AT POULTRY MEET

Preparations Reported Being Made For Annual Show in November.

At the regular monthly meeting of the London Poultry and Pet Stock Association held last evening the main topic under discussion was the caponizing of cockerels. A lecture was given by the president, R. Beamish, in which he explained that this operation caused the bird to gain in weight and in coulding for merketing. Dr. H. A. Stevenson, M.P.P., gave a Dr. H. A. Stevenson, M.P.P., gave a lecture on "The Swatting of the Rooster," by this is meant the abolishing of the rooster after the 1st of July. He said: "It is for the betterment of yourself, the cold storage packers and the public in general. No egg turn bad when they are not fertile. They are much better eating and a higher price is always paid for them. We must co-operate with the farmers and help them do this. I am sure we can get the farmers' co-operative societies to help us, and the sooner we begin, the better it will be."

The annual bird show will be held November 9 to 12 at the poultry building at Courself Park. Birds of all various November 9 to 12 at the poultry building at Queen's Park. Birds of all varieties from many parts in Western om many parts in Western and the United States are exit a bigger success. Six hundred dollars in prizes

DO WOMEN RULE

London, July 16 .- Whether feminine whims or external forces control changes in style was debated by some literary women at the Lyceum Club. There were almost as many verdicts as there were speakers, but some unusually high-brow views on clothes were revealed by the talkers.

"Dress is the visible expression of the inner soul," was the simple and enlightening way one woman opened the "It is impossible to control fashion,

spirit of the time."
"Some women try to stick to a beautiful fashion, but when it has ceased to be fashionable it has ceased to be expressive, and those who persist in wearing it are uncomfortably conscious of wearing something that is dead." 'It is untrue to say that women dress to please men. There are women who are perfectly happy to wear a beautiful dress, whether anyone sees it or not."
"There are girls who have such a passion for wearing beautiful clothes—just for the pleasure of wearing them—that they invited them. branch of that they insist upon becoming manne-

One cannot be intellectual and dress well at the same time."
"The crinoline is not likely to return as long as straphanging lasts. "The psychologist can learn much by observing the most prevalent colors in dress. Before the war there was much yellow and black. When next these yellow and black. When next these colors become popular look out for an-
