Office. 83 Youge Street, Toronto.

THE COUNCIL'S FIRST DUTY.

What the City Council of Toronto has got to remember first and always is the emphatic mandate given by the other public questions. citizens to proceed with a civic distributing plant in connection with the ministers it can be gathered that a Niagara power scheme of the hydro- heavy program of measures will be electric power commission. That was presented by the government. Mr. issue presented at the municipal elecdate in its entirety. There is no cording to Mr. Asquith, will be in mediate duty to carry out that manquestion now of dependence upon the whim or caprice of the Toronto Light door, until it suits it sconvenience to

let a date he fixed and let it he kent. Another matter of equal importance, car service on the streets of Toronto. or what is in effect a street car service. It is the same game attempted Street Railway Company, and to depurpose of distracting attention from ciers, but the first and primary duty solution. of the council is to protect Toronto from further exploitation.

### BRITISH PARLIAMENTARY PROS-

recent sudden failure in health, necessitating the abrupt close of his pil- tio grimage thru the constituencies, rumors of his removal to the house of lords revived. This, however, under present circumstances is a very unlikely termination of his active life as leader of the Liberal party. There would be much of the farcical in Sir Henry Campbell-Bannerman just now birth with a big banquet. The club becoming a member of the second chamber he has announced his determination to place in permanent sub- | pal address upon that occasion,

ordination to the popular house, and still more weighty is the objection of 'leadership even more jargely than hitherto to his able lieutenants, contenting himself with general super-

vision and occasional intervention in towards the movement against the threditary branch of the legislature, indications strongly point to a post-ponement of the appeal to the country which was expected to follow upon the session that is about to open. The fact is that the party is not unit. It is stated that the bill has been introduced in the first minister. It is stated that the bill has been that it is about to open. The fact is that the party is not unit. So on the nature of the remedy to be provided or with regard to the wisdom of raising the constitutional issue, at this time. Early in October the prime minister told an Edinburgh audience that there might have to be a conference with the lords concerning the two Scottish land measures over, which the difference occurred last session, and added that "ultimately" it was "quite possible and highly probable" that the lords would have an opportunity of discussing a bill giving effect to the commons' resolution on the subject of the second chamber. This qualified remark was in obvious marked contrast to the earlier fullminations which made the restriction of the veto power of the upper house the chief measure of the session.

If a correspondent of The Manchest-fer Guardian is to be belleved, Sitler of the contract of the season of the session. If a correspondent of The Manchest-fer Guardian is to be belleved, Sitler of the contract of the above the amendance and the addition to the above the amendance and final addition to the above the amendance and final addition to the above the amendance and that the first minister.

It is stated that the first minister. It is stated that the first minister. It is stated that the first minister. It is stated the the first minister. It is stated the members of the same man and first manually to satisfact the same man and first minister.

It is stated that the first minister.

It is stated that the first minister.

It is stated that the bill has been introduced in the manitoba contract of the same man and first minister.

It is stated that the first minister.
