SAY NICE THINGS
TO HAPPY FELSCH
Milwaukee, Wis., Oct. 25.—Happy Felsch was named and named, but he was not on the wine, last night, by his friends and admirers in Milwaukee. The star outfielder who "made Milwaukee famous" was the guest of honor at a big banquet at 8 o'clock. A majority of the ballplayers of the city and many fans were there, as the public was invited.

TEDDY TETLAF, the actor, came from Waukeag to present "Happy" to his friends and make the opening address, which was filled with praise for the work of the big man in baseball circles. A vaudeville program was given during the evening and a pleasant time was enjoyed by all.

MATTY A REAL FELLOW.
Cincinnati, Ohio, Oct. 24.—Among the subscriptions to the Liberty Loan here yesterday was one of \$50,000 thru Christy Mathewson, manager of the Cincinnati National Baseball Club, by Max Fleishman, Cincinnati business man.

Mathewson, in devoting his entire time as a volunteer worker in obtaining subscriptions to the Liberty Loan, has been a big factor in the success of the drive, and is also soliciting subscriptions, and has been wired from Kansas City today that he would arrive in Cincinnati tomorrow and assist in the work.

Should You Be Exempt?

Every facility is afforded those who have reasonable ground for applying for exemption under the Military Service Act. Each man's case will be considered by a local, civil board, sitting in the locality where he lives, and will be decided as is desirable in the national interest.

The idea behind the Military Service Act is to call up first only those whose absence from civilian occupations will cause least disturbance to the country's economic and social life. One hundred thousand reinforcements—no more—are to be raised under the Act.

Cases of Exemption

Over 1,250 civic tribunals have been organized throughout Canada, known as Exemption Tribunals. These boards are comprised of 2 members, one appointed by the county judge and one by a joint committee of Parliament. It will be seen that these tribunals are non-military and independent. The members are men closely acquainted with conditions in the places where they sit and will be able to give each case sympathetic attention.

National Interest Will Govern Exemptions

Consideration will be given to applications for exemption received from men engaged in the production or manufacture of commodities necessary to the conduct of the war and the support of those at home and cases in which real hardship would be caused by the withdrawal. Not all men who register these claims will be exempted, but such claims will receive careful consideration. National interest must govern.

Promptness is Essential

Prompt application for exemption is strongly urged upon all who, being included in the first class, believe they deserve exemption. But first visit a Medical Board and find out if any further action is required. Unless the Medical examination places you in Category A, you will have no immediate obligation for service.

Issued by
The Military Service Council.
