T. R. & A. A. NO MATCH FOR SOLDIER OUTFIT

Battery Scored a Shut Out in Senior O. H. A. Fixture-Seven Goals to Nil.

The 40th Battery have settled away. The soldiers found their team play on their third effort, and it was a nicely-balanced outfit that beat T.R. & A.A., 7 to 0, in a senior fixture at the Arena last

belanced outfit that beat I.R. at to 0, in a senior fixture at the Arena last night.

The losers were wofully weak and fell easy victims to the systematic attack of the battery. The black and white squad were only half-hearted in any back-checking that they attempted, and the soldiers made the best of it. The winners strung out over the ice in three and four-man combination, and Lovey Jupp led them in breaking up any team play that T.R. attempted. It was a poor game to watch.

Gooch played a much-improved game, and was a bearcat at the rushing game. Jupp was the pick of the forwards, and Janes was invincible in the nets. Mackenzie refused to play after the mix-up that resulted from the last game, and Pethick played the rover position, with Smythe at centre.

T. R. had Maclaren back and used him at rover, with Hal DeGruchy as Maclean's partner on the defence. Maclaren was strong and carried nicely, but didn't overwork himself in the last period, when he saw that it was hopeless. DeGruchy did useful work on the defence, but the forwards were away below their form on the last game. Sullivan let his check run wild, and Trapp could never get started at centre. Mitchell was steady thruout, and did some nice saving, despite the core.

It took them a few minutes to get.

score.

It took them a few minutes to get straightened away, but it early was evident that the soldiers were much the better. They checked back and broke away, with a pretty combination, at will. They ran in three goals in the first period, a like number in the second round and scored once in the closing twenty minutes.

minutes.

Even with hard back-checking, the Battery are going to be hard to beat. They showed a barrel of class and were much improved over their last appearance. The & A.A. (0)—Goal, Mitchell; de-DeGruchy, Maclean; rover, Mac-centre, Trapp; right, Myles; left,

Fixing Up Northern Ball League Circuit

WINNIPEG, Jan. 10.—Duluth, Winnipeg and Fargo are the certainties for the Northern League this summer. Charles Mell, former president of the Wisconsin-Illinois circuit and last year, the head of the St. Boniface club, is in the copper country at the present time scouting over the baseball situation there with a view of aligning Calumet as one tranchise-holder in the league and Hancock and Houghton as joint holders of the other franchise.

other franchise.

It is not at all certain that Superior will come into the league when the Northern magnates gather in Minne-apolis on Jan. 20. There is a difference of opinion between Superior men inclined to be somewhat interested in baseball to be somewhat and the Northern League magnates that amounts to precisely \$1500, and it is not at all certain that the financial trouble

can be abridged.

Fargo will be back in the league, and it is almost certain that Fort William will be among those present. Virginia wants to remain in the league and the officials of that club are endeavoring to secure Newton Randall as manager of their 1916 club.

If Superior decides to divvy up and rejoin the league and the copper country towns under consideration also come in the choice of the eighth franchise will like between Aberdeen and Sioux Falls. both of the South Dakota cities having perfectly reputable banks willing to go good for a 50,000 attendance mark for the season.

Aurora juniors play Aura Lee at the Arena tonight. The local club is going strong, but the Aurora outfit should give them better battle than Milton.

Dr. Jerry Laflamme got a nasty gash on the back of his leg in Saturday night's strenuous game. It took four stitches to close it, but Jerry was at the Arena last night to watch the Argonaut squad work.

All clubs in the Beaches Hockey League are requested to note that in fiture all clubs must play all their games as scheduled, as under no conditions will the league sanction the postponing of any more games. Any clubs postponing any games after this warning, without the sanction of the league, will run the risk of having same declared as a loss to both clubs. NEW YORK. Jan. 10.—That the English track and field championship will be resumed this year and that other sports will be patronized is the feeling in the old world just now. What has partly encouraged the belief that athletics will come in for some of the iormer attention sprang from the fact that the recent cross-country race for the Aldershot Command attracted the enormous string of 640 starters.

Jack Burrill, late of T.R. & A.A., has been transferred to Brampton, and will play with his home team.

Ottawas are going strong and Torontos will have to show considerable to beat them tomorrow might.

Bud Maclean is sporting a bady bruised wrist from the former Battery-T.R. & A.A. fixture.

The Junior O.H.A. game scheduled to be played at Orillia last night, between Barrie and Orillia, was postponed; no ice? of 3 to 1.

A. Cornwall despatch says: Managers E. N. Runions today received a relegrant from Roy D. Schooley, asking that the Cornwall hockey team play two matches in Duquesne Garden, Pittsburg, Pa. on Monday and Tuesday next, Jan. 17 and 18, after their engagement in Cleveland on Fidday and Saturday of this week. The team will leave here on Thursday morning for Cleveland. It is unlikely that Pittsburg will be visited on the dates asked for, as several members of the team could not remain away from the season. Manager Runions also has an offer to take the team to Detroit, Mich., for an exhibition series.
