# ANNUAL REPORT OF THE LADIES' COMMITTEE OF THE SABREVOIS MISSION FOR 1898-99.

I have pleasure in submitting the Annual Report of the Ladies' Committee. The meetings have been held quarterly as usual at Bishop's Court, and have been fairly well attended.

Mr. Mudge, by special request, has kindly been present at these meetings, keeping the Committee informed as to what was being done, and conferring with them on questions of the management of the college. An extra meeting was called to hear the report of the monthly visitors and decide upon some special rules for the students.

The work of the Committee has been effectively conducted under the leadership of their President, Mrs. M. H. Gault. The usual collections have been made, amounting this year to \$349.50, and in addition the sum of \$11.00 for the Special Debt Fund. The Mission Boxes brought in \$68.75, enabling the Treasurer to pay for the new floor in the dormitory, which had become an *absolute* necessity. A Recreation Room being very much needed by the students, in order to provide the necessary funds for this purpose it was decided to ask the Rev. R. G. Boville, M.A., to deliver a lecture. This he cheerfully consented to do, and the Very Rev. the Dean of Montreal kindly placed the St. George's school room at their disposal free of all expense. The lecture, ably illustrated by exceptionally good lime-light views, was most instructive and interesting, and attracted a very large audience. Mr. Fisk and Mr. Wilkes greatly contributed to the enjoyment of the evening with excellent rendering of several songs. The amount realized, \$225, was devoted to this Recreation Room.

The efforts of the Ladies' Committee have, therefore, resulted in a total subscription of \$654.25. The lady President contributed the sum of \$100 to the General fund of the Sabrevois Mission, which is not included in the total receipts of the Ladies' Association; \$40.00 of this amount was for the special debt fund.
