PITTSBURG, July 31—With the approach of the dates of Col. Morrill's big races at the Central Maine track at Waterville on Aug. 1, 2, and 3, considerable interest is manifested by people in this section over the fine programme that has been arranged for the event. In the list for the free-for-all are many fast ones with low records, including Roan Wilkes, owned by G. W. Gerow, of Yarmouthville. B., and was a winner in every race of the many that he started in last year. E. J. Kirby of Camden will start Mildura, one of Maine's fastest horses, in this race, as will Henry Hudson & Sons have Frank S., who is at the track now and is showing up in good form. CRICKET

Philadelphia Leading

Philadelphia, July 31—The gentlemen of Philadelphia were all out in their second innings for 289 runs, giving them a total for the two innings 425 runs. The Englishmen scored 244 in their first innings. They must score 213 runs to win the match.

To the short-sighted person, it is concave lens enchantment to the view.

HALF SICK PEOPLE

Just sick enough to feel heavy-heeled, lazy and listless; to have no appetite, to sleep badly, tossing and tumbling about sometimes until 2 or 3 o'clock in the morning from one side to the other; restless and nervous, and to have what you eat feel like lead in your stomach; not sick enough to take to bed or call a doctor, but just sick enough to not know what to do.

Ninety-nine times out of one hundred these symptoms are all caused by the stomach, bowels, liver and digestive organs. Just think for a moment what habitual neglect of the stomach, bowels and liver means; sickness instead of health, nervous and wakeful instead of restful and cheerful. Now, all this can be remedied in one night. Smith's Pineapple and Butternut Pills will always work wonders. They will regulate the functions of the liver and bowels, immediately unload the congestion, cure the constipation and cleanse the blood of impurities.

Anyone suffering from chronic constipation, biliousness, sick headache or liver complaint can tone up the entire system, elevate the spirits and again make life really well worth living by a single week's use of Smith's Pineapple and Butternut Pills. They will give you the appetite of youth, your food will agree with you and sound, refreshing sleep will wait upon you. They are Nature's laxative, entirely different from anything you have ever taken before, and always cure sick headache, constipation and biliousness in one night. 25 cents at all dealers.

All genuine signed W. F. Smith.

Coming Ball Games

St. John fans can look forward to two good games of ball. The Portlands and St. Johns on Saturday will play the second game in the series for $100 a side; and on Monday next the Bloomer Girls will play the doughty St. Johns. Both games should be very interesting, and will no doubt attract a large attendance.

Rube Waddell Talks on College Education

Listen to this from the only Rube Waddell:

"Do you believe in college training for young men?"

"I do not, it puts them bad at the start For instance a young fellow graduates and all the papers publish his photograph in cap and gown. Maybe ten long years elapse before he again sees his picture, and then they print it when he is arrested for running his automobile over a baby."

"The surest way to succeed in life is to study baseball on the lots."

Suburban League

It is probable that on account of the disagreeable weather the baseball game in the Suburban League, between Renforth and Brookville, will be postponed.

THE RING

Littlejohn Went to Sydney

Dan Littlejohn left last evening for Sydney, where he will spar a 10-round exhibition with Billy Curran on Thursday night. Dan has not received any word from Tom Foley of Halifax in answer to his recent challenge. He says that on his return from Sydney he is willing to meet Beth McLeod or any other welterweight in America.

Boxing Talk

Philadelphia Jack O'Brien and Twin Jack Sullivan are fighting a series of "drawn" battles in the Klondike. They are making much money. It is all right, but if those rough, pistol-shooting persons of that region ever learn the true facts, it is to be feared that O'Brien and Sullivan will come back as freight.—Toronto News.

Marvin Hart, the newspaper-made heavy-weight champion, modestly says that he will give Bob Fitzsimmons and other claimants for the title a chance to fight next fall. "Fitz will be 'pie' for me, d'ye see?" says Hart.

It looks as if there will be another fight between Jimmy Britt and Battling Nelson, after all. The California lightweight is willing to try conclusions with the Dane, but says Nelson must wait awhile. "I have been doing a lot of fighting of late," Britt said, "and I think I am entitled to a rest. I am not afraid of Nelson or any man. I simply take this course because I want a lay off. If Nelson and myself come together the mill must be for twenty rounds only. I will not consent to a finish bout. There is no necessity for one. I believe a fighter ought to be able to demonstrate his superiority over an opponent in a twenty round bout. I defeated Nelson once, and I will do the dictating. I am disappointed over the outcome of my mill with Kid Sullivan, for I thought I would knock him out."

Jimmy Britt says that he is going to give Battling Nelson a chance, but that the Dane will have to wait a while. How long, James? Until you have had a chance at all the easy money? There are dozens of challenges for James Edward, and Nelson's Jimmy Gardner's and Abe Attell's will keep the native son busy ducking.

Abe Attell has challenged Britt. Attell is a featherweight, but is willing to take on Britt at 133 pounds. Abe's challenge is a hummer. In fact, it hums a bit too much for this kind of weather. However, put a lump of ice on your fevered brow, overheated by the antics of Sandy Ferguson and the sensational escape of Harry Forbes, and read this delightful bit of literature from the pen of one who helped to heat us up last February:—

"I challenge Jimmy Britt to fight me any number of rounds from six to 20, or to a finish. I will meet him at 133 lbs, under almost any conditions that he wants. I want to fight Jimmy Britt because I would like to show the sporting world just the calibre of this man. He is not of the first-class by any means, and I'll guarantee that by the time that I get through with him in the ring he'll admit, and so will his friends, that he mistook his calling when he became a prize fighter. His trade is that of a plumber, and I'll engage to send him back to the little hot stove and soldering iron. Let him accept this challenge and we can easily agree on terms, conditions and purse and place afterwards. Yours combatively. ABE ATTELL."

Queer, isn't it, that Hart was named after a bishop. Marvin Hart, the new champion of the Queensbury realm, was named after Bishop Marvin, one of the greatest preachers the Southern Methodist Church has ever known. When Hart was born it was the custom of Methodist mothers to name their sons for bishops. Marvin Hart is the most famous of many namesakes throughout the South. Jim Jeffries is the son of a minister, so it seems there is a peculiar influence exerted by the ministry on the heavyweight championship.

Some Interesting Facts About Lou Dillon

Just before Lou Dillon, 1.58½ was shipped east from California, Rudolph Jordan, Jr., a wealthy gentleman who has long been more than casually interested in trotting horse affairs went to the San Jose track and took some exceedingly interesting measurements of the champion trotter's gait.

A hundred yards of the track was smoothed off on the back stretch, over which Budd Doble moved Lou Dillon at a 2.10 gait after which Mr. Jordan went to work with a steel tape measure, making accurate measurements of her gait.

Of these he made chart. Mr. Jordan found by his measurements of twenty five strides made by the mare that the average was 19.26 feet, or about 19. feet and 3 inches to every stride for every leg He also found that on the average her off forefoot strided 3-10ths of an inch less than her near forefoot, and that of the off hindfoot strided, 2-4 inches less than the near hind foot.

At the time these measurements were made Lou Dillon wore 6 ounce plain shoes in front, with leather rim pad: 3 ounce shoes behind, with well-swagged swelled heels.

The angle of each front foot is 46 degrees; of each hind foot 48 degrees, and the length of the toe is the same on every foot—3½ inches.

The cross-over of her front feet in trotting or walking has often been commented upon by those who have seen the mare at work. Mr. Jordan found by actual measurement that the cross-over was nearly 6 inches. Her near forefoot toes in and the off forefoot toes out at an angle of 1-4 degrees.

Saratoga Handicap

Saratoga, N. Y., July 31—Dull gray skies and drizzling rain, a slow track and the usual large crowd marked the opening of the Saratoga race meeting today. Staunch old Caughnawaga captured the feature event of the day, the Saratoga handicap, for his owner, John Sanford, in easy style, outfooting such cracks as Ort Wells, Beldame and Tanya. There was a gap of nearly a length between Caughnawaga and Brady's Water Light as they passed the judges' stand. Water Light beat Beldame by half a length and these three finished in a division by themselves. Tanya, who finished fifth, closed at 4 to 1, the same price that ruled against Ort Wells, who finished seventh.

Presque Isle Races

PRESQUE ISLE, July 31—Much interest is manifested in the grand circuit races which are to take place in Presque Isle Wednesday and Thursday of next week, August 9 and 10.

The classes are as follows:

Wednesday, 2.35, $200; 2.23, $200; green matinee, $50. Thursday, 2.28 pace, 2.25; trot, $200; 2.20 $200; free-for-all matinee, $50.

National rules to govern races. Races called at 1 o'clock, sharp. Such purses will bring good horses any time, but this time better than usual, for the circuit races at Fort Fairfield, Bristol and Woodstock, about one race a week, will give horsemen so good an opportunity that they will be willing to come long distances with about as good horses as can be found in Maine or New Brunswick.

As a sample of what may be expected it may be mentioned that McCoy of Fredericton is coming with eight horses, also that the best ones of Woodstock and Patten and other towns will be on hand.

Sysonby Won

Sysonby won the $15,000 Brighton Derby on Saturday, making it five straight wins for the son of Melton. Agile was second and Pasadena third.

YACHTING

The Canada Cup

Rochester, N. Y., July 30—The Iroquois, with Lorenzo G. Mabbett as skipper, has been selected by the committee to defend the Canada Cup in the races which will be held at Charlotte on August 12. The selection was announced this afternoon, and notice was sent to the regatta committee.

In the trial races the Iroquois won five and the Rochester seven. Captain Mabbett handled the Rochester when she won and was also at the stick when Iroquois was first. The judges believe the Iroquois to be the faster boat in both light and heavy weather. The Iroquois was designed by Charles Herreshoff, and her measurements are: Length over all, 52 feet; forward overhang, 10 feet; after overhang, 12 feet; water line, 30 feet; extreme beam, 10 feet 6 inches; beam on water line, 10 feet; draught, 7 feet; ballast, 5 tons; sail area, 1,550 square feet; mainsail hoist, 29 feet 6 inches; boom, 37 feet 6 inches; bowsprit, outboard, 7 feet 4 inches; gaff, 24 feet 6 inches; spinnaker boom, 23 feet 4 inches; jib halliard block above deck, 43 feet.

The Temeraire has been selected by the Canadian yachtsmen as the challenger to meet the Iroquois. Captain Mabbett, who has been chosen to command the Iroquois, is the fleet captain of the Rochester Yacht Club. In the trial races he showed marked ability, demonstrating to the satisfaction of the committee and the club members that he was the right man to have charge of the defending vessel in the match races.

Cabot Again Beaten

CHARLOTTETOWN, July 31 — The Old Home Week festivities were brought to a close today by the regatta in Souris. There was a very large attendance from Charlottetown and other points.

In the yacht race the Souris yacht Zephyr again defeated the Sydney Coronation Cup challenger Cabot by eight minutes. The Cabot was unfortunate in having a block broken, which delayed her considerably. There were also lobster boat and schooner races.

THE OAR.

Durnan and Sullivan

TORONTO, July 29—Tom Sullivan, who is to row Eddie Durnan on the Bay on Aug. 23, arrived in Montreal last night.

Word was received that Sullivan would reach Toronto this afternoon. He will do all of his training at the Argonaut Club.

The race will be rowed on Wednesday afternoon, Aug. 23, between the hours of 4 and 7. Joe Wright, of the Argonauts, will referee.

Durnan stated yesterday that he was in better shape and feels confident of winning from Sullivan.

Durnan holds the championship of Canada, so that the race is of international interest.

St. John vs. Halifax

The Sydney, C. B., regatta takes place this afternoon, and it will be St. John against Halifax and Dartmouth in the shell races.

Duggan will be the Halifax representative in the singles, while St. John will have Wm. Coates, J. P. Ross, and Hilton Belyea, (if the latter can procure a shell at Sydney.) The North Stars will represent Halifax and Dartmouth, while pitted against them will be the Belyea crew, of St. John. The latter include Wm. Lanyon, Hilton Belyea, Sam Siliphant and Mort McLaren.
