SATURDAY'S RACES AT MOOSEPATH PARK

The horse races at Moosepath Park on Saturday afternoon were very successful. The named race, which was the feature event, was both interesting and keenly contested. The horses entered were—Victor, owned Wm. Alexander, and driven by George Nugent; Cassie W, owned and driven by James Lattimer, and Owen D, owned by Emery Campbell, and driven by Wm. Thompson. They finished in the order named.

The struggle between Victor and Cassie W was exciting. The first heat was won by Victor, the second was a dead heat, and the third was being evenly high mass at eleven o'clock in the Cathedral, contested when the hobbles of Cassie W broke, throwing her and putting her outsize, Chatham, N. B.

FIRST ACROSS

Misses Margaret Carvill and Eileen Cushing were the first young ladies to cross the new bridge over the falls on horseback. They did it on last Saturday. This bridge was a little difficult of approach because of unimproved conditions, but they successfully negotiated this and have the honor of being the first to ride across the new river span.

WAS MUCH ENJOYED

A garden party at Glen Falls on Saturday under the auspices of the Newfoundland Benefit Association was a success. About 200 people were in attendance and as the weather was ideal they thoroughly enjoyed the day in the country. The games and amusements were well patronized.

SOLDIERS' DAY

Final preparations are being made for the Soldiers' Day campers in West St. John and Lancaster, on Wednesday next July 14. There is every reason to expect success. Already some donations have been received for the project, whose object is to furnish supplies for the men at the front. They include contributions from different residents of the city proper. Mrs. E. Young, president of the Soldiers' Comfort Association directing the affair, and those assisting, are asking that residents of West End and Lancaster have their donations of money or supplies ready when the committees call on Wednesday.

GOING TO LABRADOR

Miss Mildred Akery of Bridge street, daughter of Mr. and Mrs. A. F. Akery will leave tonight on the C. P. R. train for Montreal on her way to the Greenfield mission fields in Labrador. Miss Akery is a trained nurse, a graduate of the General Public Hospital, who was on the staff of that institution for some time, and latterly has been following her profession privately. She volunteered for service in the far north when the Red Cross called for volunteers from the latter part of this week for Labrador, followed by the best wishes of many friends with whom she has been most popular.

TWO PROBATE MATTERS

Administration of the estate of James A. Speight, late of this city, laborer, was granted to his widow, Mrs. Ruth A. Speight on Saturday. The real estate consists of a farm in Simonds and a household property in Thorne avenue—Urban J. Sweeney is executor.

The will of Anthony J. Ferrick, late of this city, laborer, has been proved and letters testamentary granted to Dr. Francis P. Fleming, the executor named in the will. The principal part of the estate is a household property on the eastern corner of Brunswick and Erin streets. The beneficiaries are the testator's brother, Thomas S. Ferrick, and his sister, Mrs. John J. Lee. The proctor is Thomas P. Regan.

THE MERCHANTS' PICNIC

The Merchants' Picnic committee met this morning, and it was decided to recommend that all merchants and places of business who can conveniently do so be closed on Thursday afternoon, July 22, and all attend the merchants' picnic and Red Cross field day. The secretary reported that the donation for the picnic and also for the Red Cross have been numerous and very generous, coming from merchants, manufacturers and wholesalers; also from others. It is intended to place the prizes in the windows of some of the prominent stores. Another meeting of the committee will be held in a few days to give the last touch to what is expected to be the biggest outing ever held in the province.

FIGHT PICTURES WILL NOT BE SEEN HERE

Boxing fans who have followed the showing of the motion picture films representing scenes from the Willard-Johnson championship match at Havana, may be disappointed in knowing that these pictures will not be shown here. The pictures were in the city a few days ago. There was a scheme in progress for their being exhibited. The local board of censors, however, took the ground that since prize fights were prohibited in the province motion pictures depicting them should also be barred, and, lacking the stamp of official approval requisite to the presentation, the films will not be shown in this city.

POLICE COURT.

SERIOUS DANGER ATTENDS ON THIS

Too Many in the Motor Boat on Pleasure Jaunt — Instances on the River, Yesterday

"Some day, perhaps this summer, perhaps later, there will be a tragedy never to be forgotten in the annals of the St. John river," remarked an old seafaring man yesterday after coming to anchor at Belyea's Point. "I don't like to say so, or I don't like to think about such a thing, but unless some action is taken either by motor boat owners themselves, or by the proper authorities, there will be a disaster some of these days."

cause of his remarks had just beached himself—a small power boat in which were fully twenty persons, young men and women, though the capacity of the craft should not have been tested beyond ten. Two or three were on the roof, a canopy top, while the boat was loaded to the gunwale. This was not the only small motor launch which had passed or was seen on the river yesterday overloaded. There were several such instances, and as was remarked truly enough, "there was probably not a life-belt, or perhaps even a spare oar aboard, in case of an accident."

It is felt by yachtsmen of both the St. John Power Club and the R. K. Y. Club that some measures will have to be adopted in the way of "safety first" to ensure a proper listing of those who will be in these little motor launches, to see that the boats are not loaded beyond what they will properly hold. Sunday after Sunday such instances as those described are quite common along the river, and there is always the fear that should a storm come up suddenly, and a heavy sea arise in the bay, the crossing would indeed be dangerous, if not disastrous to some of these craft.

"It would be well to provide such measures beforehand," is the common remark, "rather than after the accident has occurred."

ONE BROTHER IS WOUNDED; SECOND ONE A PRISONER

Sergt. Alfred Brown, Known in Fredericton, Received Five Wounds But is Fighting Again

Sergt. Alfred Brown, who visited his sister, Mrs. Harry Hagerman, of Fredericton, after they had been well remembered by many friends there is recovering from five wounds which he received while fighting the Plankers some weeks ago and is ready to go back to the front again.

Mrs. Hagerman has received the first detailed information as to how her brother was wounded and the extent of his wounds, and she had also learned that her other brother, Ernest, is a prisoner who is a member of the King's Shropshire Light Infantry is now at Bush Camp, Bramble Dock, South Wales, writes as follows:

Received your most welcome letters yesterday, after they had been good news to me. I was so glad to hear of you, and I put the address accordingly. The night I posted the letter to you I was wounded, having the misfortune to receive five wounds, three of which were much larger than bullet wounds.

"There were five of us in a group and we were fighting the Germans at twenty yards range with bombs (hand thrown) three of my companions being instantly killed, one receiving something like twenty wounds in the legs, and I having five, one of which was only two inches from my heart. Indeed I consider myself lucky, don't you? I had command at the time of about seven men, a platoon, all my officers having been killed previously."

"Well, I was sent to England and put in a hospital from which I wrote you, but since I received no answer I judge you did not get my letter. At the present time I am with one of the reserve battalions drilling recruits. I expect to reach the front again, but when I cannot say, it may be in a few days or it may be in a few weeks. My regiment, the 2nd Battalion, is in the same brigade as the Princess Patricia Light Infantry, and they have with my own regiment, lost heavily."

"You mention Ernest—we have no news of him yet, but believe him to be a prisoner of war. Thank you very much for your kind invitation I shall certainly accept on my return to Canada, as I should certainly like to see both you and your husband, and I don't write to you it will be because I cannot, so please write to me at intervals, as I always eagerly look forward to a line from you. I have fully recovered from my wounds and am in the best of health."

FOR HEAVY BATTERY

Some of the men of the artillery garrison on Partridge Island, who volunteered for foreign service with the heavy battery to be organized in part here, now find that they cannot secure the consent necessary from wives and parents. Be accepted applications from additional volunteers beyond the number originally intended. The garrison today had a route march in the vicinity of Lowerville, under command of Captain Ring.
