J. G. Harrison Sends Opinions on Proposed City Hall Investigator

Speaking this morning about the proposed survey of the civic administra-tion and taxation system and the bringing of Dr. Horace L. Brittain here in the Police Court this morning and with a view to engaging him to undertake this work, Mayor White said that he had made enquiries before recom-mending that Dr. Brittain be asked to

ANOTHER GOOD START

The country store booth at the City of Saint John, which apart from any other consideration, gives him greater experience in this work, than anyone else in Ontario. In addition, he is a conscientious capable man. He has a quality of sustained effort, which is worth while, and a fine body of common sense. I do not know anyone else to recommend to you, and I would think he would do useful service for your friends in Saint John."

A. O. DAWSON, of the Canadian Cottons, Ltd., writes—"From inquiries I have made in Toronto in regard to I have made in Toronto SIR JOSEPH FLAVELLE writes

I have made in Toronto in regard to Dr. Brittain, I am led to believe that

FOR NIGHT CLASSES

AT KING EDWARD

There were very large congregations at the masses in the Cathedral this morning at 6, 7 and 8 o'clock on the opening day of the Forty Hours Devotions. The special time was begun with exposition of the Blessed Sacrament during the first mass, which was celebrated by Rev. W. M. Duke. The tain's work in different parts of Canfada, and I have never heard anything but praise of his efforts. He undoubtedly possesses the necessary tact and forcefulness to get results, without unday until the close at Vespers on Sunday.

The night classes for instruction in reading, writing, spelling and arithmetic are now being organized in the IS GIVEN SHOWER

The home of Mr. and Mrs. J. Woodford North Victoria attention and advancing and recommending plans and

Yours very truly, (Sgd.) J. G. HARRISON.

FIRE CHIEF WARNS AGAINST HAZARDS

Calls Attention to City By-laws as Prevention Week is Near

In view of the fact that fire prevention week begins next Monday, Fire Chief Vaughan today drew attention to city by-laws for protection against fire. They provide that—

All ash holes or ash houses shall be belief of cheek which or iron without built of stone, brick or iron, without the use of wood in any part. No persons shall place ashes in any wooden box or receptacle or near any rooden partition.

intendent of Motor Vehicle Branch of still claimed he was governor of Acathe Public Works Department, Fredericton, that a Ford car, No. 9910, was stolen from M. B. W. Ervine of Andover on the evening of Sept. 22.

The cenars, baselients and other buildings of the but he had been portions of stores and other buildings of the house of the hous missionary or two hed gone back to France. They wandered about—livin' In store or building in which there with the Injuns—an' when Biencourt is any hoist-way, elevator or well hole died he give la Tour his claim to the building shall be provided with and territory. I often think o' them two-an' another smart young feller named sufficient trap doors with which to Pontgrave—an' the life they lived close the same as may be directed by among the Injuns three hundred year the inspector of buildings, and such ago. It was their ghosts we seen in the moonlight on the river."

the inspector of buildings, and such trap doors shall be kept closed at all times except when in section of the control John Mitchell, 68 years of age, was I wonder how many Long Reachers \$50 penalty for each such neglect or treeted today charged with assaulting ever thinks about the ghosts o' three violation. This may be imposed upon owner, lessee, or occupant of the - building.
