Remarkable List of Speakers at Convention in Toronto This Month

November 24-29—A Dozen Countries to Have Delegates—Foster, Lemieux, Rowell, Drury, Father Mindham and Others to Speak for Canada.

At no convention in Canada has there been such a notable list of speakers as announced for the convention in Toronto, for five days, Nov. 24-29, of the World League Against Alcoholism. This League was organized in Washington in 1919, and arranged to have a convention every three years. During the sessions of the organizing convention, representatives were present officially or otherwise, from the United States, Canada, England, Ireland, Scotland, Denmark, Norway, Sweden, France, Switzerland, Italy, Hungary, Australia, New Zealand, several localities in Africa, including Northern Africa, South Africa, Sierra Leone and the Belgian Congo, the Balkan States, China, Siam, Mexico, South America and Cuba.

Since the organization of the World League the anti-saloon forces have been compelled strongly to press the programme of law enforcement in America. Temperance organizations in other countries have been trying to get on their feet and the three years that have elapsed have been years of post-war reconstruction. However, a great deal has been accomplished. W. E. "Pussyfoot" Johnson went to England, Northern Europe and India and is now in a prohibition campaign in New Zealand. Dr. David Ostlund was sent to Sweden where he is now directing temperance activities and also giving attention to work in other countries of Northern Europe. Dr. Howard H. Russell, Bishop James Cannon, Jr., the late Doctor John G. Woolley, Dr. H. B. Carr, Rev. E. J. Moore, Ph. D., Doctor D. M. Gaudier, Rev. Ben H. Spence, Miss Anna Gordon, Miss Cora Frances Stoddard, Mrs. Deborah Knox Livingston, Mr. Harry S. Warner, Miss E. Green and others, have been abroad in the interest of International Prohibition. It is expected that the Toronto convention will make large plans for carrying on the international work. Temperance organizations in sympathy with the world movement against alcoholism, churches, young people's organizations, Sunday schools and the like are invited to send delegates to the convention.

All individuals in sympathy with the world prohibition programme also are invited to attend the convention as individuals, whether they represent organizations or not. All persons expecting to go as organization or individual delegates should notify Dr. Ernest H. Cherrington, General Secretary, Westerville, Ohio, or Rev. Ben H. Spence, 24 Bloss St. East, Toronto, Canada.

FLASK ON HONEYMOON BROUGHT \$200 FINE

Hamilton, Ont., Nov. 3—Alfred Potvin, of Montreal, while motoring through the city on his honeymoon had a little experience with the O. T. A. that added \$200 to his expense account. He was transferring a flask of whisky, from a suitcase to a sweater coat when Constable Sydnall saw him. As the car was filled with suitcases the constable took him to police headquarters in the belief that he had made a big liquor haul. Only the one flask was found. A charge of violating the O. T. A. was made and Mr. Potvin put up \$200 bail as he did not wish to have his trip delayed. This morning Magistrate Jeffs ordered the \$200 be seized to pay the fine he imposed.

Rich Cream for the millionaire's table and for all who enjoy real thick cream

Keepsweet Milk The Safe Milk

Keepsweet Milk is sweet, fresh cows' milk, sterilized by the same process as Keepsweet Cream. It is whole milk. Not skimmed. Not diluted. Not evaporated. Condensed nor powdered. No water needs to be added. No preparation required. Just pour Keepsweet Milk from the can into a jug and use. Delicious flavor. Absolutely pure. The safe milk for children, for everybody.

Among the first to use Keepsweet Cream were some of the richest people in Toronto—people who could afford to buy the finest, richest cream, regardless of price.

For years they've wanted a cream like Keepsweet—A cream so thick and rich and full-flavored that it is comparable only to the famous Devonshire Cream of Old England.

And so they bought Keepsweet Table Cream and found it wonderful!

It was a real coffee cream—Delicious on cereals and puddings—A treat with deep apple pie—Glorious on sliced peaches—And surprisingly cheap.

A Great Success

Soon the news of Keepsweet Cream spread all over Toronto. Then to other cities and towns. In record-breaking time, there was a demand for Keepsweet Cream from the Atlantic to the Pacific. Keepsweet is the cream everybody has wanted for years.

Keepsweet is real cream, skimmed from fresh, sweet milk from selected dairy farms. Nothing is added. Nothing is taken away. It is sterilized by the Keepsweet process and will keep sweet, pure and fresh in the tins for months. Of course, after a tin is opened Keepsweet must be cared for just the same as ordinary fresh cream.

Not Condensed

Keepsweet Cream is not evaporated nor condensed. It is not chemically treated. It hasn't any strong taste. It's simply delicious! Its Devonshire-like flavor will make you a Keepsweet enthusiast.

Think how handy it is to have several cans of pure, sweet, thick Keepsweet Cream on the pantry shelf always ready for use. And never any chance of it spoiling!

Order a supply from your grocer. Two sizes: 6-ounce and 11-ounce cans. The price is moderate, considering the superlative quality, richness and thickness of the cream.
