## MAKING A BEAUTY SPOT OF BROAD ST.

Residents Display a Good Community Spirit in Improving Appearance of Place—Public Works Department Will Assist.

An excellent example of the community spirit is being displayed by the residents of Broad street, who have taken upon themselves the task of making that thoroughfare one of the beauty spots of the city. The person responsible for the laying out of that fine wide street, of course, gave them something on which their work would show to good effect, and they are taking every advantage of the opportunity.

All along the southern side, the residents have started to put in grass plots between the sidewalk and the curb, and this, with a few shade trees planted by the city, is beginning to make a decided improvement.

The public works department is co-operating with them in the plan they have in view.

It is anticipated that next year the people on the northern side will follow the example of their across-the-street neighbors and complete the job. Commissioner Prink spoke in high commendatory terms of the enterprise this morning and said that he was planning adding a few shrubs to the grass plots during the early summer.

## MAY COME THIS WAY IN FALL

W. S. Harkins, Shown Clipping About Olden Days, Writes of Then and Now.

To the Editor of The Times.  
Sir:—About a week ago you published an article dealing with theatrical events in St. John twenty-five or thirty years ago, and mentioning several very prominent players of that time conspicuous among them being W. S. Harkins.

As I was living in St. John at the time and knew a number of those referred to I was very much interested in it and sent a copy of your paper to our mutual friend Mr. Harkins.

I attach his reply.  
C. F. GIVAN.  
Imperial Theatre, Sussex, N. B., May 28, 1923.

C. F. Givan, Esq., Imperial Theatre, Sussex, N. B.  
My dear Mr. Givan:—Please accept my sincere thanks for letter and inclosure. The notice was most interesting and carried me back many years. I am sorry to say conditions have changed greatly since those good old days. No such companies could be assembled now under present conditions. I will be with you again, you can be assured, and when I do come it will be with actors, not otherwise. I shall be most happy to hear from you at any time, and should I start out in the fall I will communicate with you at once. My kindest regards and the best of good luck.

Sincerely yours,  
W. S. HARKINS.  
Don't let your people forget me. I am still alive.

The station platform was again crowded this afternoon with people to say goodbye to the eighty-seven C. N. R. employees who left in two special pullman cars attached to the Ocean Limited, for Montreal.
