Wellington League.  
Several surprises were handed out during the last week in this league. One suit is that St. George's, who were leading the pack at the beginning of the week, are now down in fourth place, due to a disastrous defeat at the hands of Wanderers. St. George's hopes of winning the series are pretty well shattered. N. B. dropped four points to the gritty Ice Cream and three points to Ashwaik Pulp. On Friday night, the astons lost to the Nashwaik Pulp, which was another upset. The tail-enders have been bowling desperately, upsetting all the dope. The race is all very close with at least six teams all in the running. St. George's have to play with McMillan's, G. W. V., Customs and C. N. R., while the present leaders take on the second division. The following standing does include Saturday night's games:

U. N. B. vs. Mt. Allison.  
Fredericton, N. B., Feb. 20.—The U. N. B. hockey team left here this morning for Moncton where they will play Mount Allison tonight in the play-off that will decide the championship of the western section of the Maritime Intercollegiate Hockey League. Winners of tonight's game will then play King's College for possession of the Sumner trophy. This should be followed by a game with Dalhousie University for the Halifax Herald trophy and the maritime intercollegiate hockey championship.

If U. N. B. win tonight they may continue to Halifax and will be away for the remainder of the week if a satisfactory itinerary can be arranged. It had been intended, if U. N. B. won tonight, to go right to Halifax and play there for the intercollegiate championship. Fred McLean accompanied the U. N. B. team as coach and said he was counting much upon the improvement which Brennan, this season's new defence player, has shown. He formerly was of Queen's University at Kingston, Ont., and he has closed up the weak spot which had existed in the U. N. B. defence the last couple of seasons. U. N. B. will line up against Mount Allison tonight as follows:

Goal, MacKenzie; defence, Brennan and Jewett; centre, Fleet; Wings, Lonsbury (Captain) and Reid.

The Bible class of the Waterloo street Baptist church met at the church at 3.30 yesterday afternoon and proceeded to the Home for Incurables where an interesting service was held. The pastor of the church, Rev. J. A. Sweetnam, who is the teacher of the class, conducted a song service. Trios were sung by Messrs. Marley, Sweetnam and Mott and by Mrs. Patterson, Mrs. Myles and H. E. Hoyt. The pastor gave an address on Christ stilling the waves of Galilee, taking for his text, "And there were other little ships." The service and address were greatly appreciated.

An ice carnival arranged by the Rothery Community Club was held on Saturday afternoon for the children. About forty were entered and there were many spectators. The costumes were pleasing and picturesque. The judges were Mrs. Harold Brock and Miss Annie Dobbin. The prize winners were Miss Elizabeth Lewin, Hugh Rosa, Billy Schofield, Don. Turnbull, Maurice Blanchet, Teddy Dobbin, Miss Anna Allison, Arthur Fairweather, Miss Kathleen Robinson and Jack Ross.

The executive of the St. John Council of Women met on Saturday afternoon. The chief matter of business was the discussion of the resolutions which are to come before the executive of the national council, which meets in Ottawa on Wednesday and Thursday. Mrs. C. J. O'man, of Hillsboro, wrote that she would address the council at a later date. Arrangements were made for an address by Dr. Mabel Huntington on the federal minded. The details in connection with the annual meeting were also gone into.
