## YOU'RE LOOKING YOUNGER EVERY DAY, MOTHER

Gray, faded hair turned beautifully dark and lustrous almost overnight, is a reality, if you'll take the trouble to mix sage tea and sulphur, but what's the use, you get a large bottle of the ready-to-use tonic, called "Wyeth's Sage and Sulphur Compound" at drug stores here. Millions of bottles of "Wyeth's" are sold annually, says a well-known druggist, because it darkens the hair so naturally and evenly that no one can tell it has happened.

You just dampen a sponge or soft brush with Wyeth's Sage and Sulphur and draw it through your hair, taking one small strand at a time. Those whose hair is turning gray, becoming faded, dry, scraggly and thin, have a surprise awaiting them, because after just one application the gray hair vanishes and your locks become luxuriantly dark and beautiful.

## You Certainly Are Looking Poorly

You can't look well, or what is just as important, feel well, if you are Run-Down, Tired-Out and Can't Eat. What you need is "Sargol Tonic Tablets." They save many a Doctor's Bill. Trial size, 50c. Regular size, \$1.00. From your druggist or National Laboratories, 74 St. Antoine Street, Montreal.

## A Home Recipe for Wrinkled, Saggy Skin

The famous saxolite lotion recommended by specialists for removing wrinkles and for reducing distended pores, can easily be made at home. Ask your druggist for saxolite in powdered form, one ounce, and a half pint of witch hazel. Dissolve the powder in the witch hazel and bring the face, neck and hands in the solution. Results are remarkable, and instantaneous. The skin tightens, and this naturally reduces the wrinkles, as well as creases or folds about the neck, cheeks or hands. The tissue beneath the skin also becomes firmer and more solid. One feels much rejuvenated and exhilarated after using this truly wonderful preparation. Many women look five or ten years younger after using this only a short time.
