NOTICE

1. Files should be retained no longer than absolutely necessary. If a file is frequently needed at short intervals, it is better to D.F. it for two or three days than keep it out of Central Registry indefinitely. This ensures it being completed and kept in order, and also gives other officers an opportunity to see same.
2. Central Registry should be notified whenever a file is passed direct to another branch.
3. All papers must be placed on file before the file is passed.
