and the busiant of her histograms the control of the stern restrains and can do fa father commenced her evidence by denying the whole story of guilt; but she must have broken down in the cross-examination and confessed the truth before she got through.

The statement she now makes is undoubtedly true. It agrees with all the evidence in the case, and furnishes the crise marvelous and mysterious expression and environmental forms of the otherwise marvelous and mysterious expressions of Basecher's letters. As a matter of pentity tentimony, its value is, of course, diminished by the fact that Mrs. Third has before contrancted inerself re-
