Mr. Engine Buyer:

THE NEW IMPROVED KEROSENE

FERRO

Will deliver more power on less Kerosene than any other make of Engine on the Market.

WHY? Because the New Kerosene FERRO has only been marketed after the FERRO Factory had spent thousands of dollars experimenting on all types of Kerosene Engines. The result of these tests is embodied in the New FERRO.

There is no doubt about a FERRO. Careful Engine Buyers consider the FERRO first, because it always makes good.

Ferro Users are Ferro Boosters

The FERRO is used the world over because of its reliability, simplicity and perfection of its design.

The evidence of FERRO Superiority is given by thousands of Men who own and run them.

The Reason Why of FERRO Superior Service is explained in the Catalogue we'll send you, free, as soon as you ask for it.

Write now before you forget it.

The Ferro Rowboat Motor

The above illustration shows the FERRO ROWBOAT MOTOR, a Detachable Marine Motor possessing all the features that have made Ferro Engines the Standard Two-Cycle Engine of the World. Specially made for small rowboats. Can be attached to the stern of your boat and taken off again in a minute.

BAY ROBERTS, FRIDAY, APRIL 23, 1915.

An Injustice to the Outports

\$25,000 a Year Being Paid out of the General Revenue for the Upkeep of the St. John's Fire Dept. "A Purely Municipal Service." Another \$10,000 Paid for Street Lighting Purposes.

For the past two or three years we have been calling the outport electors and their representatives attention to the annual vote in the yearly estimates of the Government for the upkeep of the St. John's Fire Department. Last year the matter was brought directly before the public when the firemen, while the House was sitting, made a request for an increase in their salaries.

A discussion took place in connection with the matter, during which Sir Edward Morris, one of the representatives of St. John's West, declared that the responsibility for an increase rested with the St. John's Municipal Council, as the Fire Department was "PURELY A MUNICIPAL SERVICE." He might have gone further and said that the salaries should not be paid for out of the general revenue.

Sir Edward actually took the position as to the increase, as we have stated above. Please note, he is one of the representatives of St. John's. What position, you ask, did the outport representatives take?

Well one, Dr. Lloyd, who represents the free (?) and independent (?) electors of Trinity District, actually favored the increase, and if we are not mistaken other outport representatives did the same.

Did any of our outport representatives make any protest against it? Not that we can remember. So far as these matters are concerned we might as well have the 98 members represent St. John's alone.

Just imagine, if you can, 80 men whom the outport people in the various districts elected to look after their interests especially, allowing the matter to be brought up and discussed without entering a protest. These representatives are supposed to be representing numerous towns and settlements that have not even a bucket to fight a fire with.

It seems to us that there is a screw loose somewhere, and we are compelled to ask the question, Does our representatives really represent us? Or is it all sham and pretence?

The H. Grace Standard joined us last year in a protest against an increase being granted. No increase was granted last year. Then why grant an increase this year. We fear that an increase has already been granted, and it is only put in the Estimates now.

Why pay for the upkeep of the St. John's Fire Dept. at all, especially when a town like Bay Roberts, for instance, cannot secure even a bucket. Besides, this is no year for granting increases to anyone. We are facing a critical situation. We should practice economy. In fact, the electors of this country who pay the pipes would be very grateful if a certain percentage was deducted from the salaries of hundreds of civil servants, especially the well-paid ones. Talk about increases. Consider the burdens we are all carrying to-day. If we send a case of eggs or a parcel of anything by freight or express to St. John's or elsewhere we have to affix a two cent stamp to the shipping bill. If we give a cheque in payment of a bill or for labor done we have to stick a two cent stamp on the cheque.

Or would you imagine that it would

WHEN FEELING TIRED

Hood's Sarsaparilla Builds Up the Whole System—Makes Pure Blood.

That tired feeling that comes to you in the spring, year after year, is a sign that your blood lacks vitality, just as pimples, boils and other eruptions are signs that it is impure; and it is also a sign that your system is in a low or run-down condition inviting disease. It is a warning, which it is wise to heed.

Ask your druggist for Hood's Sarsaparilla. This old standard tried and true blood medicine relieves that tired feeling. It cleanses the blood, gives new life, new courage, strength and cheerfulness. It makes the rich, red blood that will make you feel, look, eat and sleep better.

Be sure to get Hood's, because it is the best. There is no other combination of roots, barks and herbs like it—no real substitute for it—no "just-as-good" medicine.

Old England's Song of Contempt

The souls of our foes are foul with shame,
Their hands with murder red,
May their riot dwell where the lost souls dwell.

For the sake of our innocent dead,
Our sweat-faced women and weeping babes
Were shaming in foul despite
By the craven foe we had learned to know

How our sons of the sea could fight
They dared not stay in the wind-swept day

To measure the might of our men,
So they butchered babes at the mother's breast,
And ran for their homes again.

So, Kaiser and Junker Lord and Lout,
What is bred in the bone must surely come out,
Bred from the wolf, ye show the earth
The bloody fangs that were yours at birth.

Beware of the hour when the lion springs,
Ye who stab at the breast where the baby slings.

We waste no hate on a foe so base;
We throw a nation's contempt in your face.

God of the world, at Thy Judgment Bar
We ask Thee to judge us for what we are.

A sinful breed, full of stubborn pride,
But we call the witnessing world to our side.

We shamble no women, we butcher no child;
It is Germany's sons that stand defiled.

We waste no hate on a foe so base;
We throw a nation's contempt in your face.

Butchers of babes, your hands are red
With the blood of our beautiful, dainty dead.

Our women who sleep by the whispering sea
Curse you through time and eternity,
As long as history lives your race
Have a world's contempt tossed into its face.

Sons of the wolf, ye hid your fangs
And lulled a world to sleep.
Now your fangs are bare, ye only dare
To mangle the lambs and the sheep.

The women of Belgium and daughters of France
Know well what your honour is

If their men were there ye would not dare
To become the scourge of the earth,
Ye crept through the seas on your hands and knees
To harry Old England's east coast,
Our women's blood and dear little babes
Is all that your valour can boast.

So Kaiser and Junker Lord and Lout,
What is bred in the bone it must come out.

Spawmed in slaughter, in lust and shame,
Wolves to the bone, though men in name,
Beware of the hour when the lions spring
Ye who stab at the breast where the baby slings.

Britons waste no hate on a foe so base,
We throw a nation's contempt in your face.

God of all brave and true, manly men,
We approach Thy Judgment Bar

again,
We ask Thee to judge us and hold us clean

Of the foulest crime the world has seen:
As long as the earth breeds manly men
No German can hold up his head again.

Bereft of honour by God's good grace
The world will throw its contempt in his face.

Successful Sale of Work

The promoters of the Coley's Point Pansy Sewing Club Sale of Work desire, through the columns of the Guardian, to thank all who in any way helped to make it successful, especially those who treated the children so kindly when collecting cake, etc. The proceeds amounted to \$78.35. As this money will be used for school purposes, Miss Barrett and her young fellow-workers deserve the gratitude of the parents whose children will reap the benefit of their labor.

INDIGESTION FOR FOUR YEARS

Woman of Coley's Pt. Almost Gave up Hope of Getting Better

Cured by Arctic Indigestion Cure.

Coley's Point, Jan. 28, 1915.

A. I. C. Medicine Co.

Dear Sirs—I want to tell you of the wonderful good your A.I.C. has done me. I have had indigestion for three or four years. Sometimes I felt better and sometimes worse, until this last six months. I got so bad I could not keep down anything I ate. My food would seem like a hard lump in my stomach, and I would be almost distracted with pain until it came up. At last I could not even keep down a drop of water. I grew weaker every day. It was impossible for me to do any work. I had tried different medicines but none did me any good. In fact, I had almost given up getting any better when I obtained a half-pint bottle of your medicine to give it a trial, and it done me so much good I got another bottle. I cannot speak too highly of it, for I believe it saved my life.

Yours truly,
MRS. ELIJAH GOOSENY.
