ces of restoring the line to a healthy condition, as regards the transmission of messages, appear to be very small indeed; in fact, the tests for faults give such results as almost to lead to the belief that constant of the tests for faults give such results. as almost to lead to the belief that continuity has ceased, and the wire is com pletely parted. The condition of the wire is as tad as it can possibly be. About the middle of last October very powerful batteries were put in circuit at the Newfound-land station in order to force the signal, it possible, past the fault on the English side.

Attv. for Heirs. This dangerous expedient, however, was stiended with very slight success, the on-

and most important fault was discovered at the Newfoundland end, apparently about four hundred miles from land, and caused beyond all doubt by the use of the powertul batteries we have referred to. The tests to discover the exact distance of this Class Securities over land.

Assurances are almost all on First Class Lives and the funds are invested principally on First Class Securities over land. fault from land have given the most uncertain and contradictory results. At one time the injury has appeared within 300 for £502, 781, 16 0. The Annual Income is now given the distance as exactly 371. After fault from land have given the most ungiven the distance as exactly 371. After that, how ver, the distance fluctuated between 400 and 900 miles, settling down finally at about 750 from land. This fault is supposed to be even of a more serious nature then that on the English coast -About a month since the words, "Henly" and "you understand it," were received as Newfoundland, and for a time revived the hopes of those in charge of that side of the Atlantic that successful means had been found to restore the cable to working order. Unfortunately, a comparison of dates showed that on the day these words reached Newfoundland, the station at Valentia was locked up and deserted, and the sig- at interest, as long as the policy holder

MURDER IN WASHINGTON .- Washington Feb. 27th. The community is thrown into an immense excitement to-day by the killing of Phillip Barton Key the United States District Attorney for the District of Columbia by Daniel E. Sickles. According to report Mr. Sickles becoming convinced of truth of certain scandalous rumors involving his wife, resolved to redress his wrongs. At about two o'clock this afternoon, proceeding from his residence near the President's house to the southeast corner of Lafayette Square in the same neighborhood, where Mr. Key was engaged in 100 Bags Corn Meal; noon, proceeding from his residence near conversation with Mr. Butterworth of New 1 ork, he charged Mr. Key with having dishonored him, and shot him three times with a revolver. Death ensued in a few moments. Mr. Sickles then delivered him 13 boxes Cheese; moments. Mr. Sickles then delivered him self into the hands of the officers who subsequently conveyed him to jail to await examination.

TH

IN THE MATTER OF Robert B. Davis, AN INSOLVENT DEBTOR.
