What SCHOFIELD & CO. say: We have much pleasure in stating that the Caligraph purchased
from you has been in constant use in our office for several years, and is still in good order. We
consider it invaluable as a time-saver.
Rev. C. G. McCULLY writes: A point of special value in the Caligraph, resulting from the absence
of shifting keys, is the readiness with which original composition may be executed. From my experience,
and that of many personal friends using the Caligraph, composition now comes to be executed with greater
readiness than with the pen. So great do I deem its utility that I would purchase a machine every year
rather than be without it.

A SURE remedy for Indigestion and all Bilious and Liver Complaints.
WELL TRIED AND WORTHY OF CONFIDENCE.

THIS excellent Family Medicine is the most effective remedy for indigestion, bilious and liver com-
plaints, loss of appetite, drowsiness, giddiness, spasms, and all disorders of the stomach and bowels;
and where an aperient is required, nothing can be better adapted. Having stood the test over forty years,
and being prepared with great care and study, nothing cheap or impure being tolerated in their com-
position, are perfectly safe to administer to the most delicate constitution. They never reduce the patient;
no cessation from business or any unusual change is ever necessary. They never render any one more
liable to take cold. Containing no dangerous drug, they act as kindly on the tender infant, the most deli-
cate female, and infirm old age, as upon the most vigorous and athletic system, exercising the most health-
ful influence on the whole system, invigorating the debilitated organs, building up the flagging nervous
energies, imparting vigor to body and mind, bringing every faculty into healthful play.

Two brilliant weddings have taken place in St.
John this week, and it is reported says true there are
many to follow as I hear of three new engagements
on the tapis. One of the gentlemen is a young pro-
fessional man, the other is a widower, one re-
siding in the city, the other in New York.

The three happy young ladies are all society favorites,
who have the congratulations of their many friends.
Great interest has been manifested in the tennis
tournament at the C. and A. grounds, which opened
on Thursday last. Not only those who understood
the game attended it, but everyone who wished to
pass the afternoon and meet their friends flocked to
the grounds and King street has been quite deserted

is expected to return home on Saturday evening.

On Tuesday, at the Reformed Presbyterian
church, Cornwallis, N.S., Prof. James S. Treuman,
formerly of the West End, but now residing at
Meafville, Pa., where he holds an important posi-
tion in the Reformed church, was married to Miss
Margaret Newcombe, daughter of the late Mr. John
C. Newcombe, of West Cornwallis. The ceremony
was performed by the Rev. Thomas McFall, pastor
of the church. I believe that Mrs. Treuman was
the first lady graduate of Dalhousie, and has held im-
