Arthur Edwin Raymond, son of Mr. A. J. Raymond of Woodstock, N. B. The ceremony was performed by Captain the Rev. Harold Lewis, brother-in-law of the bride, assisted by the Rev. H. Reginald Bigg, rector of the parish.

NO CONSTIPATION
NO PILES.

We think, without a doubt, that constipation is the most prevalent, and at the same time, one of the greatest troubles human nature is afflicted with, and causes more sickness than anything else.

Unless a free action of the bowels occurs at least once a day, constipation is sure to ensue, then comes the sore and uncomfortable piles, sick and bilious headaches, coated tongue, obnoxious breath, stomach, indigestion, water brash, and many other ailments.

Milburn's Laxa-Liver Pills will regulate the flow of bile to get properly on the bowels, thus removing the constipation and its allied troubles.

Mr. Dan Doucette, Bel River Crossing, N.B., writes: "Having been troubled for years with constipation and trying everything I knew of, a friend advised me to use Milburn's Laxa-Liver Pills. I used four pills and am completely cured. I can gladly recommend them to anyone who suffers from constipation."

Milburn's Laxa-Liver Pills have been on the market for the past 25 years, and have been used with the best results by thousands of people in that time, and we have yet to hear of a complaint as to their curative powers.

Price 25c. a vial at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Miss Gretchen Allison, who is training at the Royal Victoria Hospital, Montreal, arrived home Monday evening, and will spend her vacation with her parents, Mr. and Mrs. J. F. Allison.

Miss Nita Charters spent Monday and Tuesday in Moncton, guest of Mrs. H. D. Charters.

Miss Winnie Stebbings, of Harcourt, N. B., is visiting her mother, Mrs. Stebbings, Weldon street.

GAGETOWN

Gagetown, May 14.—Two more Gagetown soldiers are being welcomed back this week, having arrived on the Mauretania with the N. B. batteries. They are Sgt. E. A. Dickie, M. M., of the 5th Heavy Battery and Gunner R. M. Palmer of the 6th Battery, who have seen long service overseas. Sgt. Dickie having enlisted early in the war, and Gunner Palmer over three years ago, when he was a student at Mount Allison. Sgt. Dickie, whose military career has been distinguished by good work throughout, and whose decoration was won up from St. John on Saturday, and accompanied by Miss Babbitt, took the evening train for his home.

Gunner John E. Babbitt of Burton, who returned on the Mauretania, came up from St. John on Saturday, and accompanied by Miss Babbitt, took the evening train for his home.

The first thunderstorm of the season occurred early on Monday morning, and some keen flashes of lightning reminded the timid of one of summer's drawbacks.

Arbor Day was observed on Friday in the Gagetown Schools, when the children spent the greater part of the day out of doors, working on the grounds of the new school. Two large flower beds were made in front and a number of shrubs, flowering plants and trees were put in, which should in time add much to the appearance of the grounds.

During the heavy gale on Thursday morning about 25,000 feet of logs belonging to Reid Brothers, escaped from a boom in Gagetown Creek, and for a few hours considerable excitement prevailed, while the escaping logs were captured in the face of a strong tide and rough water.

The freshet is now going down rapidly, and since Sunday has fallen about a foot, with the result that a considerable difference is noticed in the temperature. Today, for the first time, something like summer weather prevailed, and the farmers had a chance to make their first real drive on the spring work which has been so long delayed by the cold and wet. Up to today only a few barrels of potatoes have been planted in the whole district.

Twenty-five more workmen arrived last Saturday for work on the Valley Railway, with the Bedford Construction Company. The company intends to maintain a crew of two hundred men on the Gagetown-Westfield section this summer. Additional equipment also arrived last week for ballasting, on which the men are now hard at work.

How Geography is Learned. "Where is Humber?" "I don't know, I never knew there was such a place until Italy began insisting on having it."

To say That This Brand of Tea is of incomparable Quality and Value, is to make a plain statement of Fact—that's all.

"SALADA"

Black—for Black Tea Drinkers.

Natural Green—for those used to drinking.

numbered in Gagetown, and it is hoped and expected that the four Gagetown boys who are yet to return will be here in time for it. They are Lieut. D. Stanley Dunn, R. A. F.; Sgt. Alfred Ashburne, 1st Batt.; Private Edouard J. Belyea, 28th Batt. and Gunner F. A. Moore, 9th D. H. O. The committee in charge of the dinner includes C. A. McKean, Mr. and Mrs. R. H. Reid, Mr. and Mrs. J. S. Sutherland, Mr. and Mrs. G. P. Rigby, Mr. and Mrs. J. W. Hamilton, Mrs. J. F. Reid, Mrs. J. R. Dunn, Miss Frances Caswell.

Gunner John E. Babbitt of Burton, who returned on the Mauretania, came up from St. John on Saturday, and accompanied by Miss Babbitt, took the evening train for his home.

GOODYEAR

MADE IN CANADA

CORD TIRES

A Fourteen-Year Drive to Build This Tire

Fourteen years ago scientists and engineers commenced the work which provides a better tire for your car to-day.

A tire which, through sheer quality of design, material and workmanship does four very important things for you.

- 1.—Renders such unusual mileage as to materially lower your year's tire-bill.
- 2.—Saves on gasoline and car depreciation greatly.
- 3.—Adds a new and almost unbelievable comfort to the riding of any car.
- 4.—Is ultimate in appearance.

The Goodyear Cord Tire, strong with the strength of thousands of rubber-cushioned cords, is a luxury tire in performance which yet goes so far as to cost less in the end.

It is the logical outcome of the Goodyear policy of ever striding towards lower motoring cost. No tire built with an eye to the present price can ever compete with it in value.

The Goodyear Service Station near you can supply your needs—and can serve you, too, by advising the Goodyear Heavy Tourist Tube, a better, thicker tube which justifies its price by longer service and greater tire mileage.

The Goodyear Tire and Rubber Co. of Canada, Limited
