There was a gathering at the station to meet and he received a most enthusiastic photon. After a hearty handshaking a many in the crowd and being lustily pered, the returning hero was driven to home in a barouche which had been wided for the occasion by John G. The line of the larger portion of the money alone, came in in checks forwarded by the taxpayers previous to the opening of the books.

"The making of these payments was facilitated greatly this year," said Mr. Austen "because the assessment rolls were placed in my hands on September 19, a week or ten days earlier than usual. This enabled us, by working overtime, to answer requests and send out tax bills by mail, and we had all of these requisitions filled when the officer opened.

John J. McDonough, the tax receiver for Manhattan, had about fifty extra clerks on duty, and these and the regular force worked hard all day taking in the money offered and making the entries. At two

Amherst, Oct. 2—(Special)—Private Harley Oulton arrived from South Africa today, by the Maritime express and was given a right royal reception. The town was gaily decked with flags flying from every conceivable place. Long before the arrival of the train hundreds were waiting at the station to bid the returned soldier welcome home. Immediately after landing and receiving the welcome of his father and mother, Private Oulton was escorted to a carriage by Deputy Mayor C. A. Lusby, Captain Chapman and Seargeant Major Roberts, the carriage being hauled by the employes of the car works, where Pte. Oulton'at Amherst. Nictoria square, where an address was delivered by Acting Mayor Lusby in behalf of the citizens. He also read an address from the employes of the car works, the address being accompanied by a purse of \$40 in gold.

Sergeant Major Roberts replied for Mr. Oulton was at Paardeburg. Springfontein, Klipa Drift, Sunnyside, and in both the battles at Water works near Bloemfontein. Since the 6th of July, Oulton has been in England and speaks most highly of the treatment received there. After the battle at the water works on April 11, Oulton went into the hospital at Bloemfontein. The closest call that Oulton had was being anot through the sleeve of his klaski coefficient.

Prince George Wants to Change the Constitution of Crete.

Berlin, Oct. 3--Prince George of Crete aims in his visit to St. Petersburg, according to some of the German papers, to win the support of Emperor Nicholas to his plan for changing the Cretan conpowers signing the Cretan settlement.

Teneriffe Moved.

Washington, Oct. 3-The state depart. ment has received a report from the United States consul at Tenerifie, one of the Canary group, saying that a severe earthquake was fest on that island on September 3, which lasted seven seconds, half a century. He was a member of the city council for 10 years. but that no material damage was done.

Colored Boy Taken to Dorchester.

Toronto, Oct. 3 .- (Special) -E. Y. Eaton, Moncton, Oct. 3—(Special)—Constable Jones of Amherst, brought a colored lad named Martin to jail at Dorchester to-day. He was wanted on the charge of placing an obstruction on the track near vice-president of the T. Eaton Company, and actively associated with his father in the management of its great departmental stores, died this evening in his 37th year of accute Bright's disease.

NERVOUS

men and women are much to be pitied. They are usually misunderstcod. They do not understand themselves. They become sensitive, despondent, and without ambition.

The VITAL EN-ERGY is to the nerves what the blood is to the body. When it is deficient the man or woman is weak, throughout the colony.

Buller Goes Home.

London, Oet. 3.—"Sir Redvers Buller," anys the Daily Mail's correspondent at Briter maritzburg, "will return to to England, I hear, with Lord Roberts and Kitchener will remain in the chief command in South Africa."

it is deficient the man or woman is weak, often tired and easily discouraged.

This condition is easily altered under the proper treatment. It will tone up the nerves so that they can draw the Vital Energy from the blood. It will enrich the blood so that it can supply this energy.

The entire body will glow with life and power. Patent medicines will not do this. Each case needs a different treatment.

PERFECTLY WELL NOW.

Octawa, Ont., Oct. 2—(Special)—A cable meant roday a high leaves in some doubt whether the Canadian soldiers, coming from Cape Town on the Idaho, are to hand at Monarea or Halifax. The message from Lord Roberts last week gave the transport's destination as Halifax. I was a bother to myself and everyone around me. I had palpitation of the heart, leaves to morning as a leaf. I was a bother to myself and everyone around me. I had palpitation of the heart, leaves to morning as a leaf. I was a bother to myself and everyone around me. I had palpitation of the heart, leaves the series of the leaves in some doubt body is wonderful. Life used to seem unbearable. I was so nervous the least thing sawful is a pleasure now. May God bless you in your notle work. I will tell anyone that wants to know about me. Your grateful patient, GEO. H. PENTLAND,

Box 78, Bathurst Village, N. B. DEAR DOCTOR: I feel perfectly well now. [was constipated, sleepy in the daytime around me. Tingley Brothers' Store Broken Into.

Sackville, N. B., Oct. 3-The store of Tingley Bros. was burglarized last night, entrance being effected through a back burglars met no opposition until they came to the drawers inside the safe. These they pried open and rifled the contents, consisting of \$10 in money and an express order for \$8. An endorsed cheque on the Bank of Nova Scotia was left untouched.

A short, dark-complexioned man visited A short, dark-complexioned man visited Tingley Bros. yesterday afternoon, and when asked what he wanted asked for a pen with which to write. It is thought that this man may be in some way mixed up with the burglary.

Shan Hai Kwan Taken Without a Shot Being Fired.

Vienna, Oct. 3.—The admirality has received the following despatch from Taku:
"In accordance with the request of Count Von Waldersee the seizure of Shan Hai Kwan was decided upon by a council of the admirals Sept. 29, and all was prepared for action. English ships were sent to demand its surrender and the Chinese evacuated the place. The British then hoisted their flag and the other flagships thereupon put up their respective ships thereupon put up their respective flags over the forts."

Powers to Help China Punish.

Washington, Oct. 3-A question has arisen as to whether the note will be accepted by some of the foremost continental powers of Europe. There is reason to believe that some of them do not view all of the French proposals with favor, and that there may be a renewal in this note of the differences of view recently developed over the German note. So far

and via Shanghai, Oct. 3.—The American forces will not participate in the Shan Hai Kuan expedition. The order sending a detachment of United States marines with the allied forces has been revoked. The allies do not expect any opposition, as they have been advised that the authorities of Shan Hai Kuan have been instructed to capitulate. Gen. Chaffee and the commander of the Russian troops have formally notified Field Marshal Count Von Waldersee of the withdrawal of the American and Aussian troops respectively. The United States marines will proceed to Cavite.

The movement of Indian troops will begin in ten days. The British and Germans continue sending troops to Pekin.
There are renewed preparations for an expedition in force against Pao Ting Fu. The troops will probably leave in a fortnight and columns from Pekin will conservative Ranks.

Integral. And, it Insumen sympacunize with the Boers, a main reason is because they believe that the Christian De Wet who is battling with Lord Roberts is their own beloved leader, Parnell.

"I was present at the funeral of the great Irishman, and I could not help noticing that there were mocking smiles on the faces of very many persons in the immense throng. I expressed my surprise to a venerable patriot, who was as in the dominion, feeling that his cause they believe that the Christian De Wet who is battling with Lord Roberts is their own beloved leader, Parnell.

London, Oct. 4.-The results of yes day's polling in the parliamentary gen election were less striking than tho-Tuesday. The Conservative majo but in a less marked degree. On the hand the Liberals have gained addit

On the whole the indication this mo ing is that there will not be much chang in the complexion of the new parliament As matters stand now, out of the 287 candidates returned, the relative strength of the parties is as follows:

Altogether the Liberals have gained ten seats and the Conservatives seven. Only one Conservative seat was gained yesterday, but it was a very important victory. In the Brightside division of Sheffield, an industrial consituency, held for ten-years by the late Mr. Anthony J. Mundella, who was succeeded by Mr. Fred. Maddison in 1897. The Maddison majority of 183 was converted by Mr. J. F. Hope, ministerialist, into a Conservative majority of 964. At Derby the Liberals had a striking success, recovering there the two seats wrested, in the general election of 1895, from Sir William Vernon Harcourt, and Sir Thomas Roe by Sir Henry Howe Bemrose and Mr. Geoffrey Drage.

The result of the election at Westminster was as folows: Stewart Parnell Walked in His

when she finds the dead Parnell coming back alive some years from now!'

"During the following forenoon," concandidate, Mr. Hildebrand Harmsworth. octawa, Oct. 3—(Special)—R. G. Hay, secretary of the Conservative Association, has resigned.

At a meeting of the executive of the association Monday night Mr. Hay handed in his resignation and turned over the books and keys to the association.

Mr. J. A. Ellis, public school trustee, was appointed in his place.

Mr. Hay's resignation followed a warm discussion on McVeity, a nominee question. The committee had decided definitely that they could not accept McViety as a candidate.

Mr. Hay has always been a strong supporter of Mr. McVeity, who is a Conservative but anti-Tupper.

Conservatives of Two Countles.

Richmond, Que., Oct. 3—The Conservative in the imagination of his countrymen.'

There is said to be some pyears from now!'

"During the following forenoon," continues the correspondent, "I' met a Nationalist member of parliament, who had been an intimate friend of Parnell's, and took in what I had heard.

"He was not in the least surprised, but the gave me a curious explanation of the popular belief that Parnell was still alive." You know as well as I do,' he said, "that we have just bidden an eternal farewell to the great champidit of Irish liberty, but it is our duty to keep silent when we find that the Irish people are so strongly of the vote. The notable triumph of Mr. Bufferla, have demanded a secrutive but anti-Tupper.

Conservatives of Two Countles.

Richmond, Que., Oct. 3—The Conservatives of the united counties of Richmond and Wolfe met here today and selected as their standard bearer in the approaching contest Mr. Crepeau, merchant, of St. Camille.

The conservative was in the correspondent, "I' met a National and worth and to Parnell's, and to the latter of the gave me a curious explanation of the balle and to,' he said, "that we have just bidden an eternal farewell to the great champidis of the great champidis of the popular belief that Parnell, dead, will not be able to stimulate Irish petrology in the following forence, "I have a candidate, Mr. Hiddebrad Harmsworth. A curious accident prevents

New York, Oct. 3-The New York, New Haven and Hartford Railroad transport Express, with the Boston & Washington flyer, a heavily loaded passenger train aboard, while backing out of her pier on East river today, was run into by the canal boat Ida Meyer, loaded with 1,400 barrels of cement. The canal boat sunk 30 feet from shore and the transport's a character in the modern society novel that her presence is no longer the slightest shock. She has moved on, too, rapidly. It is only a very short time ago that it the train were excited, but there was no danger as the "Express" had watertight compartments. She continued on her way was the fast, more or less disreputable and certainly secondary character, the woman villain, in fact, who rolled her cigarette and flicked its ash daintly with her ring-bedecked fingers; but the best and most virtuous heroines today may have the victime state on their methy.

Cigarettes in Fiction.

something of a shock to have Carmen in Charles Dudley Warner's That Fortune, smoke—a shock chiefly because it implied an acceptance on Mr. Warner's part that

women in presentable society did smoke. The book is a comparatively late one, yet,

if Mr. Warner, in a new edition, were to make Evelyn Mavick herself smoke, it would scarcely be surprising, so rapidly has this innovation become an accepted habit, both in books, and, alas! out of

four or five years ago, and it was accepted then as a neat phrase, that he really didn't know which he disliked the

most, "the man who did not smoke or the woman who did."—Harper's Bazar.
