Venerable Prelate Passed Away Monday Morning--Body to Be Brought to Palace -- Will Be Many Distinguished Visiting Ciergymen

at the Funeral, Friday.

Rt. Rev. John Sweeny, bishop of the diocese of St. John for 40 years, died. Mon day at the advance age of four score years. His Lordship passed away shortly atter 9 o'clock at St. Patrick's Industrial school where he lived during the last few months.

The bishop never rallied from the attack with which he was stricken on Naturday and gradually sank until the end. At his death he was stricken on St. John. St. John the Baptist church and Holy Trinity have since been built will be a substantial brick edifice has taken the place of old St. Peter's. Fairville has been made a parish, with a church and a resident priest. Throughout the diocese there has also been a marked progress in the erection of churches.

The deceased prelate, arrived from Fredericton in the atternoon and took charge of the diocese, accompanied age was passed at the border town, where he is held in the deepest respect and reverence. He graduated at the St. Stephen Grammar School and, with his mind turning towards the priesthood, he started his studies in St. Joseph's College, Memrameook. The young man distinguished himself there, as also at Laval University, Quebec, where he completed his studies for the church. When he came to St. John in 1886, it was to be raised to the high office of the priesthood and his ordination at the hands of the Rt. Rev. Bishop Sweeny was solemnized on June 29, of that year, a little less than 14 years ago. The Sweeny was solemnized on June 29, of that year, a little less than 14 years ago. The young priest was zealous, humble and devout, and brought to bear in his position these qualities as well as scholarly attributes and a capacity for great work. He soon distinguished himself by-his oratorical gifts and his sermons, especially on occasions of special note. especially on occasions of special note, were listened to with the keenest delight and he did not fail to attract attention, and he did not fail to attract attention, though such a result was one ever farthest from Father Casey's wish. He was one whom, to meet, was always a pleasure, affable, kind and sympathetic, his heart was always in the unostentatious doing of good and helping to make life a little more pleasant wherever it lay in his power. Thus, for a brief time, Father Casey grew in the esteem and love of his people and then he was transferred to Fredericton to become curate to the late Rev. J. C. Mc-Devitt. Some time later he was again stationed at St. John, and became rector

of the cathedral parish, in succession to Rev. J. J. Walsh, who had, in 1892, been given charge of the new Holy Trinity parish. For four years Father Casey ably filled the office of chancellor, displaying energy and ability, and it was with much energy and ability, and it was with much regret that the people saw him go to other fields. Rev. Father McDevitt had died and the important charge of Fredericton was given to Father Casey. It was there that he principally showed the excellent capacity for administration he was possessed of. He directed the affairs of St. Dunstan's characteristic band and in the
