

FRUIT OVER THE MARINE PROVICICES

SEARS IS MAYOR AND BY A THUMPING BIG MAJORITY

Suffered for years with Stomach Trouble

Fruit-a-tives promptly cured her.

Stomach Trouble is usually bowel trouble. The bowels become constipated. Poisonous matter, which should leave the bowels every day, stays in the bowels, two and three days at a time. These poisons paralyze the stomach muscles, prevent the digestive juices from reaching the food, and stop the whole process of digestion.

Doctors talk of dyspepsia and catarrh of the stomach when they should talk of Constipation.

Fruit-a-tives or Fruit Liver Tablets

cure Stomach Trouble because they tone, sweeten and stimulate the stomach and they cure the chief cause of dyspepsia. These concentrated and specially combined fruit juice tablets act directly on the liver--increase the flow of bile--and make the bowels move regularly and naturally every day.

More than that. "Fruit-a-tives" regulate the kidneys, strengthen them--make them excrete more urine--and rid the system of excessive urea and uric acid. They stimulate the glands of the skin to increased action--take away pimples and redness--and keep the skin clear, soft and lovely.

A month's treatment with "Fruit-a-tives" will make you think you had a new stomach, through the saving doors opened by the fruit-a-tives.

FRUIT-A-TIVES LIMITED, OTTAWA.

another ward man, how many ballots were marked before arrival at the polls. He estimated that nine-tenths of the voting papers had been treated in this way through the saving doors opened by the fruit-a-tives.

There was a little excitement in Prince ward booth about 5.30 o'clock, when receiving officer Chas. Campbell objected to too many men being in the polling booth. He ordered all but those who were not allowed credentials that they were presenting candidates to leave.

This created quite a stir among the voters. They were very friendly and courteous, and for a few minutes between the receiving officer and some of the men, Hugh Beck, who represented Thos. Kichham, refused to comply with the order.

At the booths all was quite quiet, though there were many about, and interest was keen. When the polls closed quite a few gathered around the various polling places to hear the returns, but city hall and the newspaper offices were favorite places.

Many came to the Telegraph news room to await the returns, while the telephone were kept busy from 8 o'clock until long after midnight answering anxious electors. There were also several calls from out-of-town, for interest was not confined to the city.

A good many candidates went to city hall to watch the returns, but perhaps the most interesting was Ald. Frank End, who went to York Theatre and enjoyed P. J. Captain. Mr. Lantaulum enjoyed the fight, however, that he was probably elected.

N. H. Murchie, of St. John, returned this evening from a business trip to Amherst. He reports that ice broke off near the mouth of the Aroostook and the river is now open from that point down as far as Havelock, where a jam is reported. About 1,000,000 feet of logs, including 2,000 pieces from the Tobeague, went out with the ice. Mr. Murchie estimates that the total quantity of logs jammed in the river below Grand Falls last fall would not exceed 3,000,000 feet, and of these about 4,000,000 have not yet moved. Should the ice in the River St. John run out in the course of a day or two, he thinks there would be a good chance to catch their lumber in the logs.
