IF STRENGTH DECLINES AS AGE ADVANCES FOLLOW SUGGESTION

So many women grow old before their time, perhaps your wife or sister. A little while ago, buoyant, full of vigor and activity—she enjoyed life and imparted pleasure to the whole family; but now in a few short years she has faded and lost color and strength. She is just ready to develop some disease that will further weaken and debilitate. You remember how it began, failure of appetite, tired in the morning, found housework burdensome, always nervous and a little irritable. It's a shame to let her go down hill further when you can build her up so quickly with Ferrone. The change this nourishing tonic makes in a weak woman is surprising. It gives great zest for food, increases appetite and digestion enormously. The blood gets richer and stronger, and adds new life to every organ in the body. A rebuilding process works through the entire system. The first week will show an improvement, and a month or two will fatten up the thinnest most run-down woman you can think of. Take Ferrone for local color, for nervousness, for weakness, use it when run-down and feeling poorly. It will do you more lasting good, keep you in better health than anything else. Just as good for men and children, too, because Ferrone is harmless and safe, 50¢ per box or six for \$2.50 at all dealers, or direct by mail from The Catarrhose Co., Kingston, Ont.

STAR THEATRE TO SHOW BIG FAIRBANKS FILM

"One of the Blood" Marks First Release of "Big Four" Releasé of "Big Four" picture was ever awaited with as much interest and anticipation in Kitchener as Douglas Fairbanks' new picture "One of the Blood", which will be the attraction at the Star Theatre, beginning to-night.

Something more than mere interest in a motion picture lies back of this anticipation, for "One of the Blood" is Douglas Fairbanks' first independent production and marks the first release of United Artists Corporation, the so-called "Big Four". In January, 1919, the entire amusement world was startled by the formation of the United Artists Association. This association was formed by Mary Pickford, Charlie Chaplin, Douglas Fairbanks and D.W. Griffith. These artists, concerned through out the world to be the screen's foremost producers for a number of years through various distributing companies decided that to assure their best work and in order to have full independence for the highest production of their art, they would, upon the completion of their then-existing contracts, release their own pictures, direct to the theatres of the country.

This move for independence by the foremost artists of the screen is the most important and beneficial picture business since it assumed its leadership in the amusement field. It means for the motion picture patrons that Mary Pickford, Charlie Chaplin, Douglas Fairbanks and D.W. Griffith will hereafter be enabled to produce pictures in their own way. They will make fewer pictures than they have made before, and this in itself will be an advantage. Heretofore they have been obliged to turn out a certain number of productions within a given period and a consequent

ly have not always had the time to perfect their work.

Thus, under the leadership of the screen's foremost artists is the perfection of motion picture entertainment in sight.

The first picture made under these ideal conditions is "One of the Blood". The management of the Star Theatre feels great pride in having secured this production for its city. The Star Theatre has always endeavored to choose its attractions with discrimination and regardless of expense. In the case of "One of the Blood", knowing what a Douglas Fairbanks film will be when the inevitable "Doug" can put his best into it, the theatre management feels and justly so, that it will offer to its patrons beginning tonight what should prove to be the very height of screen entertainment.

DANDRUFF SURELY DESTROYS THE HAIR

Girls—if you want plenty of thick, beautiful, glossy, silky hair, do by all means get rid of dandruff, for it will starve your hair and ruin it if you don't.

It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it.

You will find, too, that all itching and digging of the scalp will stop, and your hair will look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and four ounces is all you will need, no matter how much dandruff you have. This simple remedy never fails.

TO DARKEN HAIR APPLY SAGE TEA

Look Young, Bring Back Its Natural Color, Gloss and Attractiveness.

Common garden sage brewed into a heavy tea with sulphur added, will turn gray, streaked and faded hair black, dark and lustrous. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur, dark and lustrous hair is troublesome. An easier way is to get a bottle of Wyeth's Sage and Sulphur Compound at any drug store all ready for use. This is the old-time recipe improved by the addition of other ingredients.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant.

GOVERNMENT WILL CALL CAUCUS ON LIQUOR BILLS

Ontario M. P.'s Ask That New Prohibition Legislation Be Thoroughly Considered There

Ottawa, Oct. 8.—A Government caucus has been called for tomorrow morning to consider the prohibition legislation introduced in the Commons yesterday by Hon. C.J. Doherty, minister of justice. Yesterday the rules of the House were suspended in order to allow for the immediate introduction of the bills without the usual notice and it was presumed that they would be gone on with to-day. Second readings of the bills, it is learned, were not moved for, however, because of a request made by about 31 Ontario members who waited upon the Government and asked that the bills should be discussed at a party caucus before being proceeded with in the House.

THE COMPLAINT

According to reports in the corridors of Parliament to-night, exception is taken to the proposed amendment to the Canada Temperance Act, which provides that prohibition of the manufacture and importation of liquor may be brought about in any province by the carrying of a plebiscite based upon the authority of a resolution adopted by the Legislative Assembly of a province. Such plebiscite being carried, the Federal Government would issue the necessary proclamation to make it effective.

Objection of Ontario supporters to this proposal is understood to be based upon the claim that it will throw difficulties in the way of Premier Hearst in connection with the provincial election contest now in progress and have a bad effect on the referendum campaign.

MIGHT HURT O. T. A.

One member who is opposed to the legislation, said to-night that his position was based upon the belief that Mr. Doherty's bill would hold up to the people of Ontario the specter of bootleg prohibition and would cause many to waver in their support of the Ontario Temperance Act.

Other members are disposed to think that with the proclamation of peace which will render non-effective the wartime orders-in-council the temperance situation should be allowed to revert to the condition which prevailed before these orders came into effect.

All phases of the question will be discussed at Thursday's caucus which promises to be largely attended.

CLOTHING PRICES MAY BE FIXED

Such Action by Board of Commerce Hinted At

Toronto, Oct. 8.—Immediate and effective action to regulate clothing prices was forced by Commissioner Murdoch, of the Board of Commerce, at the conclusion of the board's investigation into clothing prices here this afternoon.

Col. W.H. Price Government counsel, had addressed the commission

calling attention to evidence which he said, warranted action on the part of the board, and Commissioner Murdoch replied: "I am firmly convinced that something should be done to reduce the price of clothing and so far as I am concerned, as one member, I will hope to see something done promptly and effectively, although at the moment I am entirely at a loss, nor would it be proper for me to say, just in

what way or under what condition or on what order of the board that might be done."

THINKS PROFITS HIGHER

Commissioner Murdoch said he concurred in Col. Price's declaration that there had been too much profit made by some of the clothing manufacturers whose affairs had been investigated. "And I am further of the opinion," he went on, "that there is more than net profit involved, that there is real net profit to some extent hidden in certain other items that certain gentlemen have referred to in a general way as 'overhead.' I think the people of the country demand, and are entitled to a change in the situation."

Later on the chairman suggested: "If the business houses generally that have been to some extent under investigation will co-operate with the board themselves and at the same time co-operate with the public and in the interests of their customers we may go some reasonable distance towards the situation at this time."

He: "And did you see Monte Carlo whilst you were at Nice?"

She: "No, papa called on him I believe, but from his disappointment appearance when he returned to the hotel I think Mr. Carlo must have been out."

Mrs. Moon: "Before we were married you said that my slightest wish would be your law."

Mr. Moon: "Exactly my love, but you have so many vigorous and well developed wishes that I am as yet unable to decide as to which is the slightest."

Owing to their inability to consolidate any kind of a team the Woodstock intermediate O. R. F. U. has been obliged to drop out of the running and withdraw from the series. They found it impossible to get a good line, although their back field was fairly good.

"Some families," said Uncle Eben "would be a whole lot happier if they didn't keep tryin' to put too much jazz in 'Home Sweet Home.'"
