

The Hantsport Acadian

DEVOTED TO THE INTERESTS OF HANTSPORT AND VICINITY

HANTSPORT HAPPENINGS

Mr. D. E. North returned to Hantsport last week, having spent part of the winter months in Bermuda.

Mr. Letny, of Digby, is a guest of Rev. A. B. and Mrs. Higgins.

A series of evangelistic meetings are being conducted in the Baptist church by the pastor, Rev. Z. L. Pash. He was assisted on Monday evening by Rev. Mr. Webb, of Cheverie. There will be special music at each meeting. The public are cordially invited to be present.

Mr. W. K. Sterling has recently been reappointed School Commissioner for the town of Hantsport for the term of three years.

Rev. F. H. Beals, of Wolfville, was in Hantsport for several days last week. He was a guest at the Chesley House, while being fitted for an artificial limb at the Chesley Artificial Limb factory. He was warmly welcomed by his many friends.

Skip diary Magistrate, W. S. Whitman, is quite indisposed at his home here. His many friends hope to see him out again soon.

The Hantsport Presbyterian church has been granted the privilege of this year of initiating an elder as commissioner of the Free Presbyterian Assembly at Toronto. Who will also take part in the formation of the Uni ed Church of Canada.

Blanch Robbins, of Toronto, has just completed an interesting story of several chapters entitled "Fergus of the Frontier" which is in the hands of the publisher. Miss Robbins is a Hantsport girl, and has gained quite a reputation for her short stories which have appeared from time to time in different magazines and periodicals.

Capt. Chas. Barkhouse spent several days in Halifax recently where Mrs. Barkhouse is a patient at the Infirmary. Messrs. E. L. Gertridge and J. Hancock, who spent the week in Toronto, arrived home on Friday bringing with them about forty western horses.

Mr. and Mrs. H. Barker, Hants Border, are receiving congratulations on the birth of a daughter.

The Misses Corn and Violet Harvie, of Windsor, were rec nt guests of Mrs. W. Dorman, Lockhartville.

The Rev. Mr. Criff, of Falmouth, filled the pulpit of the Anglican church on Sunday evening. Mr. Criff's Wednesday evening lectures are intensely interesting.

Ms. W. Smith and her daughter Jean, of Kentville, are guests of her parents, Mr. and Mrs. Duncanson, Cottage Hill.

Mr. and Mrs. F. E. Macumber spent several days in Cheverie last week.

Mr. Levi Boyd has purchased the Roy Frizzle farm on Holmes Hill.

Mrs. A. Hyson returned home recently from Sydney, where she spent several months visiting relatives.

Mrs. W. Trefry, who has been a patient at the P. M. Hospital, Windsor, returned home on Saturday.

Mrs. Porter, of Woodville, is visiting her sister, Mrs. W. Palfrey.

Mr. A. E. Blois, who had accepted an invitation to speak before the Halifax Floral Association on Tuesday evening, March 24th, was obliged to cancel his engagement on account of the serious illness of Mrs. Blois, whose condition, we are pleased to report, is slightly improved.

Rev. Mr. Higgins visited the Hantsport School on Monday morning and gave a very pleasing address. His theme, "The Reward of Correct Habit Formation," was carefully chosen and exceptionally suited to give students nobler aspirations and higher ideals. A hearty vote of thanks was tendered the speaker.

An entertainment of a very interesting nature was put on in the Baptist church on Friday evening under the auspices of the Christian Endeavour Society. After the program a delicious repast was served. The proceeds will be appropriated for the use of the Tennis Court on the parsonage grounds, which will be at the disposal of the society.

HANTSPORT DEFEATS WINDSOR AND KENTVILLE

Locals Outplay Visitors in Interesting Games of Basketball

Two very interesting games of basketball took place in the local gymnasium last Friday evening. The L.V.C. girls' team won from the Windsor girls by the score of 40 to 12, while the Hantsport "Maples" defeated the Windsor boys, 72 to 17.

The girls' teams were as follows: Windsor—Forwards, Babe Robinson, Ester Johnson; guards, Mildred Johnson, Mary Doran; centres, Grace Johnson, Helen Pavan; subs, Evelyn Thompson, Aylie Doran.

Hantsport—Forwards, Nellie Reid, Violet Alley; guards, Laura Newcombe, Grace Whitman; centres, Dorothy Laurillard, Elsie Perry; sub, Phillis Davison.

After the games the visitors were entertained at the home of Mrs. Fred Kennedy.

On Saturday evening a team from Kentville matched up with the "Map-

ples", only to suffer a sad defeat, the score being 49 to 17 in favor of Hantsport.

The best game of the season took place in the Scout Building Monday evening, when the "Eagles"—junior boys—won a victory over the "Big Junior Girls" by the narrow margin of nineteen to eighteen. Throughout the whole game the end seemed destined to be a "tie", but the "little ones" made the last bid just before the final whistle blew.

Miss Elsie Perry and Mr. Fred Beazley referred to the entire satisfaction of all present.

The following is the line-up: Boy—Forwards, Chas. Shaw, Dick Beazley; centres, Wm. Pope, Alex Stevens; guards, George Wilds, Russel Lester; subs, Leroy Flemming, Sidney Smith.

Girls—Forwards, Lenore Bishop, Annie Smith; centres, Brenda Patten, Kathleen Coffin; guards, Mildred Kennedy, Annie Beazley; subs, Helen Lake, Dorothy Wellwood.

LAST DIARY OR LOG OF SIMEON MICHENER

Left Hantsport this 27th day of April, 1850, for the Canada Lakes in the schooner "Farrell", Capt. John Lynch, with a fine breeze to the southward. At 6 p.m. came to at Spencer's Island. A beautiful fine evening.

Sunday, 28th. Left Spencer's Island this morning at 1 o'clock; all this day light and variable winds. At sundown about Quaco.

29th. Turned out this morning at six o'clock and found it blowing strong from the eastward, with thick weather. We made Campobello and run up and came to in Lubec; lay the rest of the day. Blowing heavy and raining, wind south.

30th. Laying here at Lubec; blowing strong from the west. Cooped up aboard all day, which is very disagreeable.

May 1st. Got tired of staying aboard and went ashore to take a look at the town and to get a barrel of flour. Lubec is built on a point of land almost on the line between British North America and the United States. About 15 or 20 years ago it was a place of some consequence, but is now of small account, as the plaster trade from the bay of Fundy—which was its principal support—has of late years, in a great measure, failed.

May 2nd. This morning a fine breeze from the N.W. At 11 p.m. left and run down through the narrows.

3rd. Throughout this day fine weather. In the morning wind, N.N.W. and in the afternoon from S.W. off Mt. Desert and Isle au Haut.

4th. This morning wind east, with cloudy weather. This evening at 9 o'clock arrived at Portland.

5th. This morning went ashore and found Father here, four weeks from home. Went out to Joseph Chandley's and returned in the afternoon.

6th. All this day raining heavy; run about town some.

7th. This morning got up early and went up to the depot of the Eastern Railroad and took passage for Boston in the cars, fare two pounds. We went at the rate of 20 miles an hour, passing through Soco, Kennebunck, Portamont, Newburyport, Ipswich, Salem, Lynn and several other places of lesser note. Arrived at Boston at 10 o'clock, then took a hack for the depot in Grand street, engaged a passage to Buffalo and started for Albany at 4 p.m. We stopped at Springfield, 92 miles from Boston, at 9 o'clock and stayed all night at the hotel, having come 200 miles today.

8th. Got up this morning and walked about town; found the fields green and the cherry trees in bloom, which made it look very pleasant. Started at 8.30, and after passing through a mountainous tract of country where the rivulets came boiling down from the hills, putting me in mind of the lines of Scott, "Boils over rock and wild cascade," we then came to a more level tract and about one o'clock the noble Hudson came in view, with finely cultivated fields. Arrived at Albany 1.30, and went aboard the canal boat.

CANADIANS RETURN TO HOME-LAND

Forty-One Thousand Have Recrossed Border From U.S. During Fiscal Year

OTTAWA, March 27.—Immigration to Canada during February amounted to 8,210, an increase of 203 over the previous month, according to an official statement by the Department of Immigration and Colonization. In immigrant arrivals, January and February are the low months of the year, as mid-winter is a season in which immigration is not encouraged by the Canadian Department.

Of the February arrivals 542 were British, 800 from United States, and 868 from other countries. Immigration from United States shows an increase of 168 over last January.

Canadians returning from the United States, after having been in that country for six months or over, and declaring their intention of remaining permanently in Canada, totalled 2,012. Since the beginning of the fiscal year the number of such returning Canadians is 41,044.

Immigration for the eleven months of the fiscal year to February 28, has been 49,905 British, 14,521 from United States, and 40,361 from other countries, a total of 104,787. These figures do not include the 41,044 Canadians who have returned from United States, and which, if counted in, would raise the total to 145,831.

A FAIR COMPLEXION

Whether your complexion is fair or olive, makes very little difference from the beauty standpoint. As long as it is clear and free of blemishes you have no cause to complain.

But a sallow skin is a tremendous obstacle in the beauty race, no matter what your other qualifications. It gives you an unhealthy, unattractive look that detracts immensely from your appearance.

Sallowness is a fault that lies deeper than the surface. It requires internal as well as external remedies. In the first class is the duty of keeping your blood pure and healthy by eating the proper food and drinking plenty of water.

An important matter is the quantity of water you drink daily. Some people find eight glasses a day a good quantity, two glasses at a time, between meals. Keep the system clear of all impurities and you are started on the road to banishing your sallow complexion.

But you must do more than this. You must try to bleach your skin to a more attractive shade. There are a number of ways of doing this. You will be the best judge of the most effective one for you.

A mixture of equal parts of peroxide and lemon juice will help you to accomplish this. This is one of the best bleaches known. You should mix it fresh each time you use it. If your skin can stand strenuous treatment, it would be well to leave the mixture on over-night. But sensitive skin will not be able to withstand this, and you will find it best to wash it off about twenty minutes after a picnic.

MAY BE NEXT GOVERNOR-GENERAL OF CANADA

It is rumored that Canada's next Governor-General will be the Duke of Atholl. Lord Byng's normal term of office expires in the fall of 1926, but it is not improbable that His Excellency might relinquish the Governor-Generalship before that time.

The Duke of Atholl is of noble Scottish descent and his wife is a well known Member of British Parliament. They own 202,000 acres of land in the Highlands of Perthshire, mostly moorland and deer forest.

The Duke's military career started in 1890 when he joined the Black Watch. In 1892 he transferred to the Royal Horse Guards and saw service with Kitchener in Egypt, and also in the Great War. The Duchess is M.P. for the Kinross and Western Division in Scotland, and Parliamentary Under Secretary for Education in the Baldwin Government. In religion they are Presbyterians, and he was Lord High Commissioner of Scotland from 1918 to 1920.

Should the Duke of Atholl be appointed Governor-General of Canada, he will be the first Scotchman to preside at Rideau Hall in 21 years. The late Lord Minto being the last.

During recess my Government has given serious consideration to the question of making provision for free school books, and after a thorough survey of the situation the decision has been reached to provide, for the present, free books in certain grades of our public schools, and it is hoped that at a date not too far distant this system may be extended to more advanced grades than at present contemplated. To this end a Bill will be submitted for your consideration.

probably 30,000,000 potential tourists, an increasingly large number of whom will visit us annually if we take the proper steps to develop this industry. In the past we have had no definite national policy in this connection. Separate municipalities, principally near the borders, have endeavored to attract tourists and certain organizations have established camps for the convenience of tourists. Apart from these unco-ordinated attempts nothing serious has been done.

It has been estimated by the National Parks Board that the tourist trade brought \$136,000,000 into the country in 1923. A press despatch states that the industry was worth more than \$200,000,000 to France last year. What we want

is our rightful share of the tourist business, and if the figure for France is correct, we should aim at least three times this amount.

Some of the features which would build up a half-billion dollar tourist industry in Canada are more widespread and business-like advertising in the United States; further development of the present tourist camps; improvement of roads leading to our inland resorts, and the provision of more habitable hotels in many of these places; some method of dealing with profiteers who thrive on over-charging tourists thus discouraging their return.—Financial Post.
