DUCK

The Canadian Northern Ontario opens up a new country—the best hunting on the Continent. Beside Muskoka Lakes and Georgian Bay there are innumerable waterways north of Parry Sound, including the Shawanaga, Maganetawan and Still Rivers, hitherto almost inaccessible. More deer come out of this section than from the rest of Canada. Partridge, duck and small game also found in abundance.

REDUCED RATES Costs no more to go where game abounds than to where it has been hunted out. Write

Rubber Talks

Mr. Purchaser:

When you go into a store to buy a certain article which you require, and which is made of rubber, do you always ask to see the "Jacques Cartier" Brand stamped on what you are purchasing, or do you simply take whatever is offered you by the salesman? Probably you will answer, "I never thought of enquiring." But the next time you are buying think of what we have told you and insist on having THE BEST. It bears the stamp "Jacques Cartier," guaranteeing to you absolute satisfaction or money refunded.
